College Senate MEMORANDUM

TO: All College Senate Senators and Alternate Senators

FROM: Jack Egan, Chairperson, College Senate

DATE: December 9, 1997

Please find enclosed the agenda for the December 15, 1997, College Senate meeting. At the December meeting Dr. Kramer, Director of Institutional Research, will give an overview of the completed Empirical Study Report of General Studies. The report is provided to you in advance so that you may review it and be prepared for the meeting.

The December agenda also calls for a motion to bring the General Studies Steering Committee's Program Proposal for the revision of the General Studies Program from the table. The motion will propose that consideration of the General Studies Steering Committee's proposal be put on the agenda of the College Senate meeting in February. Enclosed is a copy of the JCSC General Studies Steering Committee's Program Proposal that was tabled at the September 16, 1996 College Senate meeting.

At the December 15th College Senate meeting, the Graduate Studies committee will bring forward a resolution to approve the MA in Nursing Program. The Program approval document and the Graduate Studies resolution is included for your information.

Also, you will find enclosed the minutes from the November 17th meeting.
