[9:30AM-2:30PM; CTL, Vodra 143](#)

**Space is Limited!**

NJ has adopted the Common Core State Standards and the Partnership for Assessment of Readiness for College and Careers (CCSS and PARCC) to standardize and improve K-12. This institute will provide a summary of CCSS and PARCC and all that is intended. Curriculum examples and curriculum content materials will be provided. Information on teacher education programs will be addressed.

Math Education: Dr. Robert Price, Director of Curriculum and Instruction

Science Education: The Office of STEM Education, NJ Department of Education
