

## ***NJCU 2009 Summer Session Tuition Deferment Contract***

---

### **Terms and Conditions of the NJCU 2009 Summer Session Tuition Deferment Plan**

In order to participate in the **NJCU 2009 Summer Session Tuition Deferment Plan** you must submit an application certifying you are eligible and agree to the terms of the plan as outlined. The **2009 Summer Session Tuition Deferment Plan** is an option provided by the University to assist students who are motivated to continue their studies but face economic challenges in paying the tuition by the payment deadline. Please understand that this deferment—

- only postpones the payment of your tuition and fees;
  - does not guarantee that your summer or future financial aid will cover those fees;
  - does not cover the purchase of books, a parking permit, and other such costs.
1. NJCU provides the option of a delayed payment plan for the 2009 summer session enrollment period. There is \$100 tuition deposit fee due with the completed application. If a student chooses to register for each summer session separately, then a \$100 tuition deposit is due with each separate application. The plan can be used only for tuition and fee costs and will not be processed until the student is registered.
  2. The plan is made available only to continuing undergraduate and graduate NJCU students, who have completed at least two consecutive semesters of enrollment at the University, have a minimum 2.0 cumulative GPA (undergraduate) or 3.0 cumulative GPA (graduate), and do not have an outstanding balance due on their account.
  3. Undergraduate students are required to complete a Summer 2009 Financial Aid Request Form, and have completed the 2009-10 Free Application for Federal Student Aid (FAFSA).
  4. This plan is not available to visiting students or students already receiving a tuition waiver.
  5. An application must be submitted for each term of enrollment by the established payment deadline dates of May 14<sup>th</sup> for Summer Session I and June 25<sup>th</sup> for Summer Session II.
  6. By completing an application, the student agrees to pay NJCU the full tuition and fee amount incurred by October 1, 2009. If a student withdraws from a class (or classes), payment becomes due and payable immediately.
  7. If the student elects to use/apply for financial aid programs (i.e. Federal Stafford Loans, grants, scholarships, etc...), proceeds received from those programs will first be used as immediate payment(s) to the amount owed for the current term.
  8. The student agrees to permit NJCU to utilize any subsequent term's financial aid disbursements (i.e. Federal Stafford Loans, grants, scholarships, etc...) to pay any balance due prior to the October 1, 2009 payment date.
  9. If the student has a past due balance from a prior term, the student will not be eligible to use the **2009 Summer Session Tuition Deferment Plan** until the repayment of the past due balance. For additional questions regarding this application, please contact the Bursars Office at 201-200-3045.

**Please return this document to the Bursar's Office, Hepburn Hall 106. This document must be received no later than the payment deadline for the student's registration to be considered valid.**
