Subject: MSCHE2020: April Update

Colleagues,

I am pleased to share several updates on our MSCHE 2020 Self-Study preparations.

- We have launched our Self-Study **webpage**, which can be accessed through this [link](#). It will be updated throughout our preparations, so please check it frequently.
- We have submitted the first draft of our **Self-Study proposal** to MSCHE and will receive feedback soon. The draft is posted on the MSCHE2020 webpage, and can be accessed through this [direct link](#).
- On May 9, Dr. Hilda Colón Plumey, MSCHE Vice President, will be on campus to share information on the Self-Study process. In addition to meeting with the Steering Committee and Working Groups, Dr. Colón Plumey will hold an open forum for all interested faculty, staff, students, and Board members. This is an excellent opportunity to learn about and engage with this important process. I encourage you to attend.

MSCHE Self-Study: Overview and Requirements

Presented by

MSCHE Vice President Dr. Hilda Colón Plumey

May 9, 2018

2:45pm – 3:30pm

Gothic Lounge

Regards,

Sue Henderson, Ph.D.
President
