

MISSION STATEMENT

New Jersey City University empowers its students through a highly accessible, equity-driven, and transformative education. An NJCU education focuses on students' personal, professional, and civic development to facilitate their socio-economic mobility. We uplift our diverse community of students, including historically underserved and underrepresented, first-generation, and adult learners.

The mission of the College of Professional Studies is to educate individuals from diverse communities to succeed in their professional goals and personal aspirations and to effectively contribute to society. Our engaging learning environment encourages students to become self-motivated learners who can think analytically, locate resources, solve problems creatively, and master essential technical skills.
