INSTRUCTIONS FOR THE AFFIDAVIT OF SPONSORSHIP

This Affidavit of Sponsorship must be signed by the sponsor. Annual tuition and living expenses for an International Student in the Intensive English Program are estimated to be **twenty six thousand eight hundred dollars (US\$26,800) per year, or US\$13,400 for six months or US\$8,275 for four months.** An additional **seven thousand five hundred dollars (\$7,500)** per year is required for each dependent of the International Student. Since International Students cannot work in the United States, they must have full financial support for the duration of their studies. Sponsors must promise to support the student (and dependents) for the duration of study and be able to document sufficient financial resources. Students planning to join a degree program following the English studies should be prepared to show full financial support for the degree program as well.
