ADJUNCT FACULTY AGREEMENT

JULY 1, 2015 to JUNE 30, 2019

AGREEMENT

This Agreement is made as of the 3rd day of August, 2017, by and between the State of New Jersey (herein called the STATE) and the Council of New Jersey State College Locals, AFT, AFL-CIO (herein called the UNION). Whereas the parties hereto have entered into collective negotiations and desire to reduce the results thereof to writing, NOW THEREFORE it is mutually agreed as follows:

PREAMBLE

This Agreement has as its purpose the promotion of harmonious employee relations between the STATE, the State Colleges and Universities and the employees represented by the UNION; the establishment of equitable and peaceful procedures for the amicable resolution of all disputes and grievances; and the determination of wages, hours of work and other terms and conditions of employment. Now therefore, in consideration of the mutual promises of this Agreement, the parties agree as follows:

I

RECOGNITION AND DEFINITION OF TERMS

A. The STATE, by the Office of Employee Relations, and the Colleges/Universities hereby recognize the UNION as the exclusive representative for the purpose of collective negotiations for all terms and conditions of employment in a unit embracing the institutions set forth in Paragraph B.2 below, the composition of which is described as follows:

1. Included:

a. All adjunct faculty teaching credit courses at a College/University during the regular academic year. Summer session, pre-session and inter-session courses are not considered as employment to confer eligibility for inclusion in the unit. However, an adjunct faculty member who teaches in the summer session, pre-session or inter-session will be included in the unit during such summer session, pre-session or inter-session if he/she has been included in the unit in the preceding fall or spring semester.

b. An adjunct faculty member included in the unit at one College/University, who also teaches a course or courses at another College/University, will not be covered by the terms of this Agreement at the second College/University until the requirements of A.1(a) above are complied with at the second College/University.

c. During any period of time that an adjunct faculty member is not under contract, the adjunct faculty member is not covered by any provision of this Agreement.

2. Excluded:

a. Members of the full-time/part-time unit of faculty, librarians, and professional staff at the State Colleges/Universities;

b. State College/University President and Vice Presidents;

c. Deans, Associate and Assistant Deans, and other managerial executives and confidential employees at the State Colleges/Universities;

d. All State employees, including employees at the University of Medicine and Dentistry of New Jersey, the New Jersey Institute of Technology, Rutgers University and the judiciary, who are excluded from negotiations units because they are managerial executives or confidential employees;

e. Supervisors within the meaning of the Act at the State Colleges/Universities;

f. Bookstore staff, food service staff, etc. at the State Colleges/Universities;

g. Graduate assistants at the State Colleges/Universities;

h. All persons at the State Colleges/Universities included in other negotiations units;

i. All officers and persons included on the union or management negotiations teams in all State negotiations units, including those at the University of Medicine and Dentistry of New Jersey, the New Jersey

Institute of Technology, Rutgers and the judiciary. This paragraph shall not apply to members of bargaining unit;

j. All employees employed by or holding office in local, county, State or Federal governmental departments, agencies or bodies where the responsibilities of the employees include monitoring or evaluating the Colleges/Universities, rendering decisions or issuing policies affecting the Colleges/Universities or having information regarding the Colleges/Universities that are not otherwise available to the public or in advance of any public disclosure;

k. All employees and consultants of the New Jersey Association of State Colleges and Universities, Inc.

l. All others

B. Definition of Terms

Unless otherwise indicated, the following when used herein shall mean:

1. "Employee" refers to employees in the certified negotiating unit described in Paragraph A. above.

2. "College/University" refers to:

The College of New Jersey

Kean University

Montclair State University

New Jersey City University

Ramapo College of New Jersey

Rowan University

Stockton University

William Paterson University

3. "Local UNION" refers to that constituent local of the UNION at a College/University of which employees working at that college are members.

II

NON-DISCRIMINATION

The STATE and the UNION agree that the provisions of this Agreement shall apply equally to all employees. The STATE and the UNION agree that there shall be no intimidation, interference, or discrimination because of age, sex, sexual orientation, marital status, familial status, race, color, creed, national origin, disability, physical handicap, or political activity, private conduct or union activity which is permissible under law and which does not interfere with an employee's employment obligation or because of their liability for service in the Armed Forces of the United States.

III

NO STRIKE OR LOCKOUT

The UNION agrees it will refrain from any strike, work stoppage, slowdown or other job action, and will not support or condone any such job action. The STATE agrees that it will refrain from locking out its employees.

IV

CONTINUING CONSULTATION

A. The parties agree to establish a Committee consisting of one representative for each College/University, three Council representatives and one representative from the Governor's Office of Employee Relations, which shall upon the request of either party meet in the third week of October, January and April. The goal of the Committee is to ensure that the provisions of the Collective Negotiations Agreement are complied with throughout the nine State Colleges/Universities. The Council shall submit an agenda to the Governor's Office of Employee Relations at least two weeks prior to the meeting consistent with the goal of the Committee as set forth above. These meetings are not intended to bypass the grievance procedure or to be considered contract negotiating meetings; rather, they are intended as a means of fostering good employer-employee relations.

B. The Local UNION on each campus and the President as chief executive officer of the College/University and as representative of the Board of Trustees, or his or her designee(s), shall upon the request of either party establish meetings during the first week of October, January and April for the purpose of reviewing the administration of this Agreement and to discuss problems which may arise. These meetings are not intended to bypass the grievance procedure or to be considered contract negotiating meetings but are intended as a means of fostering good employer-employee relations.

C. The requests of either party for such meetings shall include an agenda of topics to be discussed and shall be submitted at least two weeks prior to the meeting date. Sufficient meeting time(s) shall be established to complete the agenda.

D. Additional meetings, as described above, shall be held at the request of either party at a mutually agreeable time.

V

DUES DEDUCTION

A. 1. The STATE agrees to deduct from the salaries of all employees dues for the appropriate Local UNION named below, as individual employees may voluntarily authorize as provided in Chapter 310, New Jersey Public Laws of 1967, the STATE to make such deductions and where such authorization is properly presented to the STATE.

The College of New Jersey	Local 2364
Kean University	Local 6024
Montclair State University	Local 6025
New Jersey City University	Local 1839
Ramapo College of New Jersey	Local 2274
Rowan University	Local 2373
Stockton University	Local 2275
William Paterson University	Local 1796

The deduction will be made in equal amounts biweekly pursuant to Chapter 310, New Jersey Public Laws of 1967, N.J.S.A. 52:14-15.9e, as amended, beginning the first payroll period after receipt of the authorization card. Said monies will be transmitted by the fifteenth of the month following the month in which deductions were made to the designated Local UNION treasurer. Payroll dues deductions reports shall be electronically transmitted to the Local UNION on the payroll period. Reports not received in that time period shall not be subject to the grievance procedure. Each of the above Local UNIONS shall certify to the STATE in writing the current rate of its membership dues.

2. Dues deduction for any employee in the negotiating unit shall be limited to the UNION. Employees shall be eligible to withdraw dues deduction authorization for the UNION only as of July 1 of each year provided the notice of withdrawal is filed timely with the responsible payroll clerk.

3. Any changes in the UNION fee structure during the contract year shall be certified to the STATE thirty (30) days in advance of the requested date of such change. The change will be reflected in payroll deductions at the earliest time after the receipt of the request.

4. In the event that a College/University receives a dues deduction card directly from the employee, rather than the Local UNION, the College/University shall provide the Local UNION with a copy of the card at the time the next dues deductions are sent to the Local UNION.

B. Representation Fee (Agency Shop)

1. Purpose of Fee

a) Subject to the conditions set forth in 1(b) below, all eligible non-member employees on the payroll in this unit will be required to pay to the majority representative a representation fee in lieu of dues for services rendered by the majority representative. Nothing herein shall be deemed to require any employee to become a member of the majority representative.

b) It is understood that the implementation of the agency fee program is predicated on the demonstration by the UNION at the signing of this Agreement that more than 50% of the eligible employees in the negotiations unit on the payroll are dues paying members of the UNION. Thereafter, the UNION will advise the STATE by the end of the second contract year of this Agreement if the above percentage has been

maintained. If, at the signing of this Agreement, the above percentage has not been achieved, the agency fee plan will not be implemented. If the above percentage has been achieved in the second contract year assessment, the agency fee shall continue until the following assessment. If the percentage has not been achieved, the agency fee will be discontinued at the beginning of the next semester and eligibility for reinstatement shall be on a semester basis. If the minimum percentage is achieved in any spring or fall semester after the UNION has not met the minimum percentage, the plan will be reinstated at the beginning of the next semester with proper notice to affected employees by the STATE. The information provided by the UNION will be verified by the STATE.

2. Amount of Fee

Prior to the beginning of each contract year, the UNION will notify the STATE in writing of the amount of regular membership dues, initiation fees and assessments charged by the UNION to its own members for that contract year, and the amount of the representation fee for that contract year. Any changes in the representation fee structure during the contract year shall be certified to the STATE thirty (30) days in advance of the requested date of such change. The change will be reflected in payroll deductions at the earliest time after the receipt of the request.

The representation fee in lieu of dues shall be in an amount equivalent to the regular membership dues, initiation fees and assessments charged by the majority representative to its own members less the cost of benefits financed through the dues, fees and assessments and available to or benefiting only its members, but in no event shall such fee exceed 85% of the regular membership dues, fees and assessments.

3. Deduction and Transmission of Fee

After verification by the STATE that an employee must pay the representation fee, the STATE will deduct the fee for all eligible employees in accordance with this Article. The mechanics of the deduction of representation fees and the transmission of such fees to the UNION will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the UNION except the deduction will begin in the third pay period of each semester. The deduction will be made in equal biweekly amounts. The total agency fee deducted for each semester will be 85% of the total dues deducted for that semester.

4. Demand and Return System

The representation fee in lieu of dues shall only be available to the UNION if the procedures hereafter are maintained by the UNION.

The burden of proof under this system is on the UNION.

The UNION shall return any part of the representation fee paid by the employee which represents the employee's additional pro rata share of expenditures by the UNION that is either in aid of activities or causes of a partisan political or ideological nature only incidentally related to the terms and conditions of employment, or applied toward the cost of any other benefits available only to members of the majority representative.

The pro rata share subject to refund shall not reflect, however, the costs of support of lobbying activities designed to foster policy goals in collective negotiations and contract administration or to secure for the employees represented advantages in wages, hours, and other conditions of employment in addition to those secured through collective negotiations with the public employer.

The employee shall be entitled to a review of the amount of the representation fee by requesting the UNION to substantiate the amount charged for the representation fee. This review shall be in conformance with the internal steps and procedures established by the UNION.

The UNION shall submit a copy of the UNION review system to the Office of Employee Relations. The deduction of the representation fee shall be available only if the UNION establishes and maintains this review system.

If dissatisfied with the UNION's decision, the employee may appeal to a three-member board established by the Governor.

5. STATE Held Harmless

The UNION hereby agrees that it will indemnify and hold the STATE harmless from any claims, actions or proceedings brought by any employee in the negotiations unit which arises from the STATE's agreement to make deductions in accordance with this provision. The STATE shall not be liable to the UNION or employee for any retroactive or past due representation fee for an employee who was identified by the STATE as excluded or confidential or in good faith was mistakenly or inadvertently omitted from deduction of the representation fee.

6. Legal Requirements

Provisions in this clause are further conditioned upon all other requirements set by statute.

C. Political Checkoff

Pursuant to legislation, the STATE shall upon presentation of a proper and duly signed authorization form, deduct from the salary of each employee in the negotiations unit a sum specified by the employee and not to exceed the limits prescribed by law, for the purpose of contributing to the UNION Committee on Political Education (COPE). This provision applies to present and future members and non-member employees in the negotiations unit. The fee deductions referred to above shall be forwarded to the Council of NJ State College Locals promptly and in accordance with the provisions of applicable law. In the event that a College/University receives a COPE deduction card directly from an employee, rather than from the Council of NJ State College Locals or the Local UNION, the College/University shall provide the Council of NJ State College Locals and the Local UNION with a copy of the card at the time the next COPE deductions are sent to the Council of NJ State College Locals.

VI GRIEVANCE PROCEDURE

A. Purpose

The parties agree that it is in the best interests of the academic community that all grievances should be resolved promptly, fairly and equitably. To this end relevant and necessary information, material and documents concerning any grievance shall be provided by the UNION and the STATE upon written request to the other within a reasonable time which, where practicable, will not exceed fifteen (15) business days. This entitlement does not include the use of written questions directed to individuals where the relevant and necessary information sought can be asked of witnesses or the management representative at a grievance hearing.

A copy of any grievance filed by an employee independently of the UNION under the terms of this Agreement shall, upon receipt, be transmitted to the UNION by the College/University.

Whenever any representative of the UNION or any employee is mutually scheduled by the parties during their University working hours to participate in grievance procedures, such employees shall suffer no loss in pay or benefits.

The following procedure, which may be initiated by an employee and/or the UNION acting as his or her representative, shall be the sole and exclusive means of seeking adjustment and settling grievances.

B. Definition of a Grievance

A grievance is an allegation by an employee or the UNION that there has been:

1. A breach, misinterpretation or improper application of terms of this Agreement; or
2. An arbitrary or discriminatory application of, or failure to act pursuant to, the applicable policies or rules of a Board of Trustees or applicable regulations or statutes which establish terms and conditions of employment.

There shall be no right to grieve management's decisions and related procedures to employ or not employ adjunct faculty in connection with either initial or subsequent employment. Decisions to cancel courses which were scheduled to be taught, discipline, and academic judgments also are not grievable.

C. Informal Resolution

Nothing set forth in the formal grievance procedure below shall prohibit an employee, either individually or through a union representative, from seeking to resolve a potential grievance informally, with the person designated by the College/University for that purpose. Informal discussions shall not serve to extend the time within which a grievance must be filed, unless such is agreed to in writing by the College/University official responsible for the administration of the first formal step of the grievance procedure.

D. Formal Steps

1. Step One

A grievant or the Union shall initiate their grievance in writing and present it formally to the College/University President or his or her designee. Such statement of grievance should include specific reference to the following:

- a) the article and section of this Agreement alleged to have been breached, misinterpreted, or improperly applied;
- b) the applicable policy or rule of a Board of Trustees, which establishes terms and conditions of employment alleged to have been arbitrarily or discriminatorily applied or not followed;
- c) a description of how the alleged violation occurred;
- d) the date of the alleged violation;
- e) the proposed remedy.

Where the nature of the grievance suggests that it would be appropriate, the grievant may be requested by the President or his or her designee to meet any involved official of the College/University in an effort to resolve the grievance informally. Such informal discussions shall not become a part of the record of the grievance unless the grievance is resolved on the basis of such discussions. The President or designee thereof shall hear the grievance and, where appropriate, witnesses may be heard and pertinent records received. The hearing shall be held within twenty (20) calendar days of receipt of the grievance, unless the parties mutually agree otherwise and the decision shall be rendered in writing to the employee and the UNION representative within fifteen (15) calendar days of the conclusion of the hearing of the grievance. The decision of the President or his or her designee shall be final and binding as to B.2 grievances. Additionally, grievances alleging a breach, misinterpretation or improper application of the terms of this Agreement that relate to employment, reemployment, discipline or academic judgment cannot be appealed to arbitration.

The UNION shall have the right to be present at a Step 1 grievance hearing where an employee wishes to process a grievance on his or her own behalf.

2. Step Two

If the grievant or Union is not satisfied with the disposition of the B.1 grievance at Step One, or if a hearing is not held within the prescribed time or agreed upon time or should no decision be forthcoming in the prescribed time or agreed upon time, the UNION as representative of the employee may, within twenty (20) calendar days from the determination at said step and upon written notification of intent to arbitrate to the Director of the Office of Employee Relations, appeal the grievance to arbitration. The arbitrator shall conduct a hearing and investigation to determine the facts and render a binding decision for the resolution of the grievance. In no event shall an arbitrator's decision have the effect of adding to, subtracting from, modifying or amending the provisions of this Agreement, the laws of the STATE, or any policy of the STATE or any Board of Trustees.

In all cases, the burden of proof is on the grievant.

If one of the issues before the arbitrator is timeliness, the arbitrator must first render a decision on this issue. This decision shall be rendered on the day of the hearing when possible. A subsequent day of hearing will occur only if the arbitrator determines the matter to have been timely filed.

Any costs resulting from this procedure shall be shared equally by the parties.

The arbitrator making a binding determination of a grievance has the authority to prescribe a compensatory award to implement the decision.

The parties shall mutually agree upon a panel of three or more arbitrators. Each member of the panel shall serve by random selection as the sole arbitrator for a given case or cases. When a member of the panel is unable to serve, another member shall then serve by random selection. Each member of the panel serves by mutual agreement of the STATE and the UNION and may be removed at any time by either party through written notice to the other. In the event it is necessary for the parties to select a new panel member, and the parties are unable to agree on such new panel member, an *ad hoc* replacement arbitrator shall be selected on a case-by-case basis under the selection procedure of PERC. Such selection procedure shall also be utilized in the event of a failure of the parties to agree upon a new panel.

E. Time Limits

1. A grievance, filed by either the individual employee or the Union, must be filed at Step One within forty-five (45) calendar days from the date on which the act which is the subject of the grievance occurred or forty-five (45) calendar days from the date on which the individual employee should reasonably have known of its occurrence.

2. A group grievance that affects more than one College/ University must be filed with the individual designated by the College/University Presidents to receive multi-college group grievances. The grievance statement must include the names of all the affected Colleges/ Universities and a notice that the grievance is a

group grievance. A copy of the group grievance must be simultaneously provided to the Director of the Office of Employee Relations.

3. The College/University Presidents will designate an individual to hear the group grievance on behalf of all the affected Colleges/ Universities.

4. The time limits applicable to Step One will also apply to group grievances.

5. Time limits provided for in this may be extended by mutual agreement of the parties at the level involved.

6. If the Step One decision of the College/University is not appealed within the appropriate time limit, such grievance will be considered closed and there shall be no further review or appeal.

7. No adjustment of any grievance shall impose retroactivity beyond the date on which the grievance was initiated or the forty-five (45) day period provided in Section E.1 above, except that payroll errors and related matters shall be corrected to date of error.

F. No reprisal of any kind shall be taken against any participant in this grievance procedure by reason of proper participation in such procedure.

G. Grievance records shall not be part of the personnel file except by mutual agreement between the UNION and the College/University.

H. Nothing in this shall be construed as compelling the UNION to submit a grievance to arbitration.

I. The decision of the President or his or her designee cannot add to, subtract from, modify or amend the provisions of this Agreement, the laws of the STATE or any policy of the STATE or Board of Trustees.

VII DISCIPLINE

A. The College/University representative shall inform the employee at the beginning of an investigatory interview of the subject of the interview. If during the course of an investigatory interview conducted by the employer or its agent an employee reasonably believes that he/she may be disciplined as a result of information obtained from the interview, the employee may request a Union representative. If so requested, the Union representative shall be permitted to be present. The Union representative shall be permitted to attend as an observer; however, he or she may advise and counsel the employee by clarifying confusing and misleading questions.

B. In the event an allegation of misconduct is made by a College/University against an employee, and if he/she so requests, the employee shall be entitled to a representative of the Union during any investigatory interview(s) concerning such charge. There shall be no presumption of guilt. The Union representative shall be permitted to attend as an observer; however, he or she may advise and counsel the employee by clarifying confusing and misleading questions.

C. If an employee is discharged for cause during the term of a one semester contract, he/she shall, if requested, be provided with the reason(s) for the dismissal and given an opportunity to present his/her position at a meeting with the President or his or her designee.

VIII UNION-EMPLOYER INFORMATION EXCHANGE

A. The UNION agrees to furnish to the Office of Employee Relations a complete list of all officers and representatives of the UNION, including titles, addresses and designation of responsibility and to keep such list current. The same information with respect to Local UNION officers must be provided by the Local UNION to the College/University President. The UNION will also provide copies of its constitution and by-laws or other governing articles and will keep these current.

Each College/University shall report to the Local UNION any changes to the employee's identifying number within a reasonable time after the change.

2. At the same time as the aforesaid register is provided, each College/University shall provide the UNION and the Local UNION with a list of employees on each campus earning above the applicable minimum salary rate set forth in XII. The list shall be provided in digital form transmitted by e-mail. The information shall be in the form of an Access file or an Excel file. Said list shall include last name, first name, and the per-credit rate at which the employee is being paid.

3. Additionally, the UNION and the Local UNION shall be provided with the class schedule including room assignments and times for all adjunct faculty included in the unit no later than the fifth week of each semester.

4. Providing the preliminary register as set forth in B1 and B3 above does not guarantee the member any additional rights that are not already set forth in the Agreement. Nor shall the providing of a preliminary register be subject to the grievance procedure.

C. The STATE and the College/University administrations agree to furnish to the UNION, in response to written requests and within a reasonable time, which, where practicable, will not exceed fifteen (15) working days, information which is relevant and necessary to the negotiating of subsequent agreements; and that affects terms and conditions of employment including published agendas and minutes of the Boards of Trustees proceedings; If such requests affect more than one College/University, they shall be sent directly to the Office of Employee Relations.

D. Each College/University shall maintain in a central location a copy of all written generally applicable rules, regulations, policies and College/University-wide procedures that affect terms and conditions of employment of unit members. Each College/University shall make generally known such central location where employees may review the documents. IX UNION-BOARD RELATIONS

A. The provisions of this shall apply only to the Colleges/Universities that have a separate Adjunct Faculty Local.

B. 1. The UNION shall be supplied a copy of the tentative agenda of all College/University Boards of Trustees meetings, one week prior to the date for such meetings. Upon request of the UNION, a responsible administrative officer of the College/University shall be available to discuss agenda items at a mutually agreeable time prior to such meetings. Where the UNION makes specific request for written materials referred to in a tentative agenda item and where such material is not confidential or privileged and can be supplied in advance of the scheduled meeting within the policies of a Board of Trustees, such material will be provided.

2. A copy of the adopted minutes of public meetings of the Boards of Trustees and resolutions adopted at such meetings, including any documents incorporated by reference in such resolutions, shall be forwarded to the UNION within a week of adoption.

C. The Adjunct Faculty Local President or designee shall have the right to be present as an observer, to observe public budget hearings conducted by the Board of Trustees of that College/University. The sole role of the observer shall be to attend hearings to observe and not to participate in the deliberations of the committee.

The administration shall also permit the UNION to use designated College/University equipment at reasonable times when such equipment is not otherwise in use. The UNION shall pay the actual cost to the College/University of all custodial maintenance and repairs and the materials and supplies incident to such uses, including postage and telephone charges.

The provision of space shall not take priority over the essential operations and/or instructional needs of the College/University and the utilization of the space may be withdrawn with advance notice to the adjunct faculty member based upon operational and/or instructional needs. Such space/common areas shall not be provided if it requires capital expenditures on the part of the College/University

E. Access to Office Equipment, Services and Supplies

The College/University shall provide adjunct faculty with access to instructional materials and services that aid in their instruction at the same level as a full time faculty teaching the same course. In the event that there is any issue related to these terms the local UNION shall meet with the College/University, and discuss said issue; this provision is not subject to the grievance procedure.

F. Adjunct Faculty Employee Handbook

The College/University shall provide all adjunct faculty with an Adjunct Faculty Employee Handbook, where such exists. If an online version of said handbook exists the College/University shall inform the adjunct faculty of its existence. This Handbook may include all College/University policies and procedures relating to adjunct faculty.

G. Organizational Membership

No member of the adjunct faculty shall be required to join or refrain from joining any organization as a condition of employment, with the exception of credentialing organizations/associations related to a requirement for certification to hold the position.

H. Parking

Where available at the Colleges/Universities, parking privileges shall be provided to employees without charge (except at facilities financed by the Educational Facilities Authority). The assignment or location of parking places shall be resolved between the Local UNION and the College/University.

I. Library Collection

There shall be no abridgment of access to the library collection for reasons of content or suitability. This paragraph shall not be construed to interfere with the sound principles of library management, such as protection of rare or valuable materials.

J. Within the College/University departmental or equivalent academic unit policies and practices, adjunct faculty may be permitted to select textbooks and course materials if the adjunct is not a last minute hire or a specific textbook is not required for the course.

K. If a College/University decides to implement an evaluation process for Adjunct faculty or decides to change an existing evaluation procedure, the procedures or changes to existing procedures shall be locally negotiated in accordance with the New Jersey Employer-Employee Relations Act and its governing regulations. Nothing herein requires a College/University to implement an evaluation procedure for Adjunct Faculty.

XII ADJUNCT FACULTY WORKLOAD

A. The number of teaching credit hours earned by an adjunct faculty member for any course is and shall remain as exists at the College/University as of July 1, 2017. If, during the term of this agreement, a change is to be made in the number of credits hours earned by full-time faculty members for any course or courses at the College/University, and if, at the time of the change, that course or courses is also taught by adjuncts at the College/University, the change will apply to the adjunct faculty member at that College/University, unless the Adjunct Local, where a separate adjunct local exists, requests negotiations in regard to the matter. The College/University will notify the President, or his/her designee, of the Adjunct Local at least one month prior to the term in which the change becomes effective.

The parties understand that the College/University may impose, if no agreement is reached with the Adjunct Local, without utilizing the PERC impasse process.

For the purposes of this provision only, such agreement, once negotiated or imposed, shall be enforceable through binding arbitration under Article VI.

Modes of instruction other than classroom shall continue to be governed by paragraph B below.

B. Adjunct faculty members assigned duties involving modes of instruction other than classroom, such as, but not limited to, independent study, supervision of internships or practice teaching, or assigned to teach regularly scheduled courses for which collegiate credit is not granted, shall receive teaching credit hours for such activities according to the policies and practices currently in force at the respective Colleges/Universities unless specified otherwise in this Agreement.

1. In the event that any College/University makes an assignment of any activity covered herein for which there is no current practice or policy or intends to change a practice or policy, the College/University shall notify the Local UNION in writing of such action and, upon written request of the Local UNION, the President shall designate an official of the College/University to consult with the Local UNION concerning the new or changed policy or practice. Such written request must be received by the President within thirty-one (31) days of the College's written notice to the Local UNION. The consultation shall be completed within thirty (30) days of the Local UNION's written request to the President, unless said time limitation is extended by mutual consent of the parties.

2. In the event that, after consultation, the Local UNION is of the opinion that the involved policy or practice is unreasonable, the Local UNION, within seven (7) calendar days, may request negotiation of those matters which it deems to be mandatorily negotiable. Disputes as to the negotiability of such matters shall be resolved in the manner prescribed by the New Jersey Employer-Employee Relations Act, as amended.

3. Nothing contained herein shall limit such authority as the College/University may have under law to direct that workload assignments be implemented during the pendency of consultation.

C. The specific assignments for student teaching shall be equitable in regard to travel time and distance. Disagreement concerning the teaching credit hour load for supervision of student teachers shall be resolved between the Local UNION and the College/University.

XIII APPOINTMENT OF EMPLOYEES

A.1. Prior to appointment contracts being offered, employees must advise the College/University in writing of any other employment, including employment as an adjunct faculty at another College/University and/or at the same College/University but in another department/program provided there is an appointment contract issued pursuant to XIII.B.1.

C. Any individual letter of appointment contract between the College/University and an individual employee shall be subject to and consistent with the terms and conditions of this Agreement. Where practicable all individual letters of appointment contracts shall be issued at least two (2) weeks prior to the commencement of the relevant semester. Where such appointment contract is inconsistent with this Agreement, this Agreement shall be controlling. The issuance of an appointment contract less than two weeks prior to the commencement of the relevant semester shall not be subject to the grievance procedure.

D. If a course that an employee is assigned to teach is reassigned to any other employee or is cancelled less than two (2) weeks before commencement of the relevant term the employees who lost his/her assignment shall receive payment equivalent to one-half (1/2) of a credit hour for the course.

E. If a course that an employee is assigned to teach is cancelled after the first class taught or if an employee's assigned course is given to a full time faculty member, professional staff member, administrator or another adjunct faculty member after the first class is taught the employee will be paid the equivalent of one (1) credit hour.

F. Appointment of employees is a matter of academic judgment and managerial prerogative. However, an adjunct faculty who is currently teaching a course shall be given initial consideration for appointment by the department in which the same course is to be offered in the successive semester. This provision shall not be subject to the grievance procedure.

Each College/University has the discretion to pay employees above the amounts set forth in D and E above based on policies and practices established by the College/University.

XIV SALARY

Subject to the State Legislature enacting appropriation of funds for these specific purposes, the STATE agrees to provide the following compensation effective at the time stated herein or, if later, within a reasonable time after enactment of the appropriation.

A. The minimum employee compensation per credit hour shall be determined based on the schedule below. Each College/University has the right to pay employees above the minimum adjunct faculty rate based on policies and practices established by the College/University. Provided that their responsibilities remain the same, employees who are paid above the minimum adjunct faculty rate shall not be reduced in compensation during the academic year in which they received payment above the minimum. The payment of any employee above the minimum shall not entitle any other employee to such treatment.

B. Employees teaching during inter-sessions, pre-sessions and summer sessions shall be compensated at the rate applicable during the immediately preceding semester.

C. Compensation will be paid biweekly consistent with the payroll policies of the College/University.

D. The parties to this Agreement understand that the public services provided to the citizenry of the STATE of New Jersey require a continuing cooperative effort particularly during any period of severe fiscal constraints. F. Letters of recommendation relating to appointment which were solicited under conditions of confidentiality shall be excluded from the employee's inspection and shall not be used in subsequent personnel actions unless the employee is provided with a copy.

G.1. An employee shall have the right to respond to any document in his or her personnel file. Such response shall be directed to the President of the College/University and shall be included in the employee's personnel file, attached to the appropriate document.

Where a hazard exists which endangers the employee, he or she shall not be required to work where that condition exists.

XVIII
DEFERRED COMPENSATION PLAN

A. The State will continue the program which will permit eligible adjunct faculty in this negotiating unit who are in PERS to voluntarily authorize deferment of a portion of their earned base salary so that the funds deferred can be placed in an Internal Revenue Service-approved Federal Tax exempt investment plan. The deferred income so invested and the interest or other income return on the investment are intended to be exempt from current Federal Income Taxation until the individual employee withdraws or otherwise receives such funds as provided in the plan.

It is understood that the State shall be solely responsible for the administration of the plan and the determination of policies, conditions and regulations governing its implementation and use.
