NJCU SCHOOL OF BUSINESS AT FT. MONMOUTH AND JERSEY CITY Bachelor of Science in Sports Management

Seamlessly Transfer Credits and Earn Your Degree Close to Home With Dual Admissions

The B.S. in Sports Management provides students with a combination of sport business theory and practical experience to prepare them for a successful career in the sport management industry. The U.S. Bureau of Labor Statistics predicts that job growth in sports management will grow faster than average for some areas of the field through 2026 because of expansion due to multibillion-dollar profits from the sports industry.

This dynamic program is comprised of both classroom and hands-on practice with two required internships through business field experiences. Our program immerses you in the multifaceted world of sports and entertainment where you will be exposed to the latest industry tools and best practices while mastering the contemporary digital and entrepreneurial skills that give you a competitive edge.

Why Choose NJCU For Your Degree?
