

NJCU COLLEGE OF PROFESSIONAL STUDIES *fact sheet*

MISSION STATEMENT

New Jersey City University provides a diverse population with an excellent education.

The University is committed to the improvement of the educational, intellectual, cultural, socioeconomic, and physical environment of the surrounding urban region and beyond.

The mission of the College of Professional Studies is to educate individuals from diverse communities to succeed in their professional goals and personal aspirations and to effectively contribute to society. Our engaging learning environment encourages students to become self-motivated learners who can think analytically, locate resources, solve problems creatively, and master essential technical skills.
