Re: New Residency Law

“Effective September 1, 2011 all employees of State and Local Government must reside in the State of New Jersey, unless exempted under law. If you already work for State or local government as of September 1, 2011, and you do not live in New Jersey, you are not required to move to New Jersey. However, if you begin your office, position or employment on September 1, 2011 or later, you must reside in New Jersey. If you do not reside in New Jersey, you have one year after the date you take your office, position or employment to relocate your residence to New Jersey. If you do not do so, you are subject to removal from your office, position or employment.”
