1.1 BACKGROUND

New Jersey City University (NJCU), located in the City of Jersey City, is one of the nine state colleges and Universities in New Jersey. The University opened its doors as the New Jersey Normal School of Jersey City on September 12, 1929, with 331 students and one building on campus, Hepburn Hall. Eighty-eight years later, more than 8,000 degree-seeking students enjoy the fifty-two acre campus, which now features fourteen buildings. The mission of New Jersey City University is to provide a diverse population with an excellent university education. The University is committed to the improvement of the educational, intellectual, cultural, socioeconomic, and physical environment of the surrounding urban region and beyond. Through implementation of its mission, New Jersey City University has realized its vision of becoming a nationally recognized leader in urban public higher education. New Jersey City University is committed to its urban mission by: sustaining, celebrating, and promoting academically an understanding of community diversity; tapping the rich resources of the urban setting and cultures for the benefit of its learners; and employing its knowledge resources, via faculty and students and with partner organization, to identify and solve urban challenges.

NJCU is also creating a 21-acre University Place Development, which will blend academic buildings, recreational facilities, and mixed-use residential, retail, and commercial space with landscaped public areas and walkways. In expanding its campus, NJCU expects to create an urban village that will enrich the surrounding neighborhood and will encourage its neighbors to enjoy the shops, theatre and performing arts programs, cafes, and public outdoor spaces that are part of the plan. The site is bordered by Route 440, West Side Avenue, Carbon Place and the Home Depot Property. Construction began in 2012 with the development of the infrastructure, including placement of sewer lines, utilities and streets. The final stage, the construction of buildings, are being handled in phases.

1.2 PURPOSE AND INTENT

Pursuant to N.J.S.A. 18A:64-54, New Jersey City University (“NJCU” or the “University”) is issuing this document, a Request for Proposals (“RFP”) for a General Contractor for the Nursing Educational Center project from qualified single prime

contractors to provide complete single prime construction costs to complete the below mentioned construction project contract documents.

The selected contractor will demonstrate flexibility in accommodating new and changing requirements, while providing reliable customer service and proven service performance. NJCU reserves the right to add or delete items from the resulting agreements with five (5) days written notice. New or additional items may be added with prior written notice from NJCU with terms and conditions to be mutually agreed upon by NJCU and the selected firm.

The intent of this bid is to award a contract to the lowest responsible bidder conforming to this Request for Proposal. It is anticipated that the contract will commence with the Notice to Proceed date, site work will commence in May 2018 and will conclude per the milestone schedule.

The University considers any information which it may have released either orally or in writing prior to the issuance of this RFP, to be preliminary in nature and the University shall not be bound by such information.

The University's obligation is contingent upon the availability of funds.

1.2.1 CONTRACT TERMS

New Jersey City University proposes a phased approach, as per Appendix B, Section 01 11 05, with total completion October 2018.

If, at any time during the term of this award either the University or the contractor considers terminating the agreement, they shall give the other party written notice that it is considering such action, which notice shall set forth with sufficient specificity such party's reasons for contemplating termination. During the following thirty- (30) day period the parties shall discuss, in good faith, the party's reasons for considering termination in an effort to avoid the need for such action. Following the thirty (30) day discussion period, the party considering termination, if not fully satisfied, may elect to terminate the agreement by giving the other party ninety (90) days written notice.

Should additional work be required, which is beyond the scope of this RFP but is related to the overall contract, the contractor will be requested to submit a written proposal and upon approval, a purchase order will be issued to authorize the work.

1.2.2 SUPPLIER DIVERSITY

New Jersey City University recognizes the importance of supplier diversity in its procurement practices. The University has a diverse student, staff and faculty

By encouraging the participation of Small Business Enterprises (SBEs), Minority Business Enterprises (MBEs) and Women Business Enterprises (WBEs), collectively SMWBEs, in the procurement process, the University strengthens contracting opportunities for SMWBEs, while at the same time providing a value added strategy that increases competition to ensure that the University's funds are maximized.

1.4 ADDITIONAL INFORMATION

1.4.1 BIDDER RESPONSIBILITY

The University does not assume responsibility for the completeness or the accuracy of any information presented in this RFP, or otherwise distributed or made available during this procurement process, except as expressly stated to the contrary. Without limiting the generality of the foregoing, the University will not be bound by or be responsible for any explanation or interpretation of the proposed documents other than those prepared in writing. In no event may a Proposer to this RFP rely on any oral statement made by the University or any of the University's agents, employees, advisors or consultants.

Should a Proposer find discrepancies in or omissions from, this RFP and related documents, the Proposer shall immediately notify the University, in writing, and a written addendum of instructions, if necessary, will be emailed to each Proposer. Every Proposer requesting an interpretation of this RFP will be responsible for delivering such requests to the University in writing and within the time limit set forth in Section 1.3

The University considers any information which it may have released either orally or in writing prior to the issuance of this RFP to be preliminary in nature and the University shall not be bound by such information.

Proposers should satisfy themselves, by personal investigation and any other means they deem necessary, as to the conditions affecting the proposed Project and the cost thereof. Proposers are solely responsible for conducting their own independent research and due diligence for their preparation of the Proposals and the subsequent delivery of services under the Project Documents.

1.4.2 COST LIABILITY

The University does not assume responsibility and does not bear any liability for cost incurred by a bidder in the preparation and submittal of a bid proposal in response to this RFP.

1.4.3 CONTENTS OF BID PROPOSAL

Subsequent to bid opening all information submitted by a bidder in the bid proposal is considered public information, except as may be exempted from public disclosure by the Open Public Records Act [OPRA], N.J.S.A. 47:1A-1 et seq., and the common law.

The University reserves the right to complete its evaluation process prior to making bid tabulations available, through OPRA requests.

1.4.4 PRICE ALTERATION

Bid prices must be typed or written in ink. Any price change (including "white-outs") must be initialed. Failure to initial price changes shall preclude a contract award from being made to the bidder.

1.4.5 BID ERRORS

A bidder may request that its bid proposal be withdrawn prior to bid opening. Such a request must be made, in writing, to the Assistant Vice President of Business Services. If the request is granted, the bidder may submit a revised bid proposal as long as the revised bid proposal is received prior to the announced date and time for the opening of the bid proposals and at the place specified.

If, after the opening of bid proposals but before contract award, a bidder discovers an error in its bid proposal, the bidder may make written request to the Assistant Vice President of Business Services for authorization to withdraw its bid proposal from consideration for award. Evidence of the bidder's good faith in making this request shall be used in making the determination. The factors that will be considered are that the mistake is so significant that to enforce the contract resulting from the bid proposal would be unconscionable; that the mistake relates to a material feature of the contract; that the mistake occurred notwithstanding the bidder's exercise of reasonable care; and that the University will not be significantly prejudiced by granting the withdrawal of the bid proposal.

If, during the evaluation of bid proposals received, an obvious pricing error made by a potential contract awardee is found, the University's Contract Administrator shall issue written notice to the bidder. The bidder will have five days after receipt of the notice to confirm its pricing. If the bidder fails to respond, its bid proposal shall be considered withdrawn, and no further consideration shall be given it.

If it is discovered that there is an arithmetic disparity between the unit price and the total extended price, the unit price shall prevail. If there is any other ambiguity in the pricing other than a disparity between the unit price and extended price and the bidder's intention is not readily discernible from other parts of the bid proposal, the Contract Administrator may seek clarification from the bidder to ascertain the true intent of the bid proposal.

2. SCOPE OF WORK

Bidders are required to visit the site prior to submitting proposals for the work herein described, and to have thoroughly examined the conditions under which the Contract is to be executed including those reasonably observable conditions of the premises which would hinder, delay, or otherwise affect the performance of the Contractor required under the terms of the Contract. The University will not allow claims for additional costs as a result of the Contractor's failure to become aware of the reasonably observable conditions affecting his required performance. The Bidder is required to make appropriate allowances in the preparation of his Bid for the accommodation of any such conditions. Each Bidder warrants by submitting a bid he is familiar with conditions existing at the site at the time the Bid is submitted.

3.1.5 Proposals shall remain valid and may not be withdrawn for a period of sixty (60) days after Bid Opening Date.

A written confirmation of any Modification signed by the Bidder must have been mailed and time-stamped by the University's Purchasing Department prior to specified closing time. Such confirmation shall be accompanied by a newly executed non-collusion affidavit.

3.2.2 Bids may be withdrawn upon written request received prior to the time fixed for the Bid Opening. Right for withdrawal of a bid is lost after a bid has been opened. If any error has been made in the bid amount, request for relief from the bid may be made in writing to the Contracting Officer. The written request shall be signed by an authorized Corporate Officer. A determination of whether the Bidder will be released shall be at the sole discretion of the Contracting Officer, who shall issue his finding within five (5) days of the receipt of all pertinent information relating to such request for relief.

3.3 CONSIDERATION OF BID

- a. Contract will be awarded to the lowest responsible Bidder(s). The awards will be made, or the bids rejected, within sixty (60) days from the date of the opening of the bids.
- b. All bid deposits of unsuccessful Bidders (except the lowest three (3) Bidder(s)) will be returned or refunded within five (5) days of the bid opening.
- c. The bid security deposits of the successful Bidder and next two (2) lowest Bidders will be retained by the Owner until the execution and delivery of a formal Contract and the receipt of Performance and Payment Bonds by the successful Bidder. At such time bid deposits of the other two (2) low Bidders will be returned.

d. The Contracting Officer reserves the right to waive, in his sole discretion, any bid requirements when such waiver is in the best interests of the University and where such waiver is permitted by law.

e. The Contracting Officer reserves the right to reject any and all bids when such rejection is in the best interests of the University. The Contracting Officer also may reject the bid of any Bidder who, in his judgment, is not responsible or capable of performing the Contract based on financial capability, past performance, or experience. A Bidder whose bid is so rejected may request a hearing before the Contracting Officer by filing a written notice.

f. The Bidder shall include in his bid the names of his principal Subcontractors, if any.

3.4 AWARDS

3.4.1 The Bidder to whom the Contract is awarded shall execute and deliver the requisite Contract Documents including Payment and Performance Bond within 10 days after notification of the acceptance of his bid.

3.4.2 The successful bidder, by executing a contract, agrees to perform their Work in a good and workmanlike manner to the reasonable satisfaction of the Contracting Officer and to complete all Work within the number of calendar days specified.

3.4.3 The successful bidder will be notified of the time and place for the signing of Contracts. Key requirements in the conduct of the Contract, including, but not limited to, the number of days for performance of the Contract, manner and schedule of payments and other administrative details will be reviewed at the award meeting. The time and place of the first job meeting also will be announced.

3.5 QUALIFICATION OF BIDDERS

3.5.1 The University reserves the right to reject a Bidder at any time prior to the signing of a Contract if information or data is obtained which, in the opinion of the Contracting Officer, adversely affects the responsibility and/or the capability of the Bidder to undertake and to complete the Work regardless of the Bidder's previous qualification or classification. The University may conduct any investigation as it deems necessary to determine the Bidder's responsibility and capability and the

Bidder shall furnish all information and data for this purpose as the University may request.

3.6 DEPOSIT OR BID BOND

3.6.1 Each proposal shall be accompanied by a Bid Bond, Cashier's Check or Certified Check, made payable to the New Jersey City University, equal to ten percent (10%) of the amount of the proposal, as evidence of good faith, which guarantees that if the proposal submitted by the Bidder is accepted, the Bidder will enter into the Contract and furnish the required Contract Documents and Surety Bonds. If a Bid Bond is submitted, it shall also provide that the Surety issuing the Bid Bond be bound to issue the required Payment and Performance Bond, if the Bidder is awarded the Contract. If the Bidder whose proposal is accepted is unable to provide the Performance and Payments Bonds or fails to execute a Contract, then such Bidder and the Bid Bond Surety shall be obligated to pay to the University the difference between the amount of the bid and the amount which the University contracts to pay another party to perform the Work. The University reserves the right to retain any Certified Check or Cashier's Check deposited hereunder as reimbursement for the difference as aforesaid, and shall return any unrequired balance to the Bidder. Should there be a deficiency in excess of the bid deposit, the Bidder and/or the Surety shall pay the entire amount of the University's difference in cost upon demand. Nothing contained herein shall be construed as a waiver of any other legal remedies the University may have by reason of a default or breach by the Contractor. Contractors electing to furnish a Bid Bond must include Consent of Surety, both in form acceptable to the University.

3.6.2 Attorney-in-fact who sign Bid Bonds or Contract Bonds must file a certified Power-of-Attorney with the University indicating the effective date of that power.

3.7 PERFORMANCE-PAYMENT BOND

3.7.1 The Bidder, to whom the award is made, shall furnish a Performance Bond, in statutory form as provided by the University, in an amount equal to one hundred percent (100%) of the total Contract Price as security for the faithful performance of this Contract and also a Payment Bond, in statutory form as provided by the University, in amount equal to one hundred percent (100%) of the Contract Price as security for the payment of all persons and firms performing labor and/or furnishing materials in connection with this contract. The Performance Bond and the Payment Bond must be in two separate instruments. **The Forms of Performance Bond and**

Payment Bond supplied by the University must be used. No Contract shall be executed unless and until each Bond is submitted to and approved by the University. The Surety must be authorized to do business in the State of New Jersey and have at "Best" rating of a least "A".

3.7.2 The cost of Bonds shall be paid for by the respective Contractors.

3.7.3 If at any time the University, for justifiable cause, is dissatisfied with any Surety or Sureties who have issued, or propose to issue, the Performance or the Payment Bond, the Contractor shall, within ten (10) days after notice from the University to do so, substitute an acceptable Bond (or Bonds) in such form and sum and executed by such other Surety or Sureties as may be satisfactory to the University. The premiums on such Bond shall be paid by the Contractor. No Contract shall be executed and/or no Payment made under a Contract until the new Surety or Sureties shall have furnished such an acceptable Bond to the University.

3.7.4 Bonds must be legally effective as of the date the contract is signed. Bonds must indicate Contractor's names exactly as they appear on the Contract. Current Attorney-in-Fact instruments and financial statement of the Surety must be included with the Bond and must be executed by an authorized Officer of the Surety. Bonds furnished under this article shall conform in all respects to the requirements and language of N.J.S.A. 2A:44-143 to 147.

3.8 ADDENDA AND INTERPRETATIONS

3.8.1 No interpretation of the meaning of the Plans, Specifications or other pre-bid Documents will be provided to any Bidder unless such interpretation is made in writing to all prospective Bidders prior to Bid Opening. Any such interpretations which are not entered in accordance with this provision shall be unauthorized and, not binding upon the University.

3.8.2 Every request for an interpretation relating to, clarification or correction of the Plans, Specifications or other Bid Documents shall be made in writing, addressed to the Contract Administrator and must be received by the last day of questions noted in the milestone schedule and/or section C above. Any and all interpretations, clarifications or corrections and any Supplemental Instructions must be issued by the Contract Administrator in writing in the form of Addenda and e-mailed to all prospective Bidders not later than five (5) working days prior to the date of the opening of Bids. All Addenda issued shall become part of the Contract Documents

and shall be acknowledged in all the Bid Proposals. Failure of a Contractor to acknowledge receipt of all such Addenda and Interpretations with his bid may result in his proposal being considered non-responsive, at the option of the Contracting Officer.

3.8.3 Each Bidder shall be responsible for thoroughly reviewing the Contract Documents prior to submission of bids. Bidders are advised that no claim for expenses incurred or damages sustained on account of any error, discrepancy, omission, or conflict in the Contract Documents shall be recognized by the University unless, and only to the extent that, a written request for interpretation, clarification, or correction has been submitted in compliance with section 8.2, and the matter has not been addressed by the University through the issuance of Addenda interpreting, clarifying and/or correcting such error, discrepancy, omission, or conflict.

3.11.2 If such notice is not given in a timely manner, it shall be assumed that the Bidder has included the estimate of such sole source in his Bid. CONSTRUCTION CONTRACTS

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Except with respect to affectional or sexual orientation and gender identity or expression, the contractor will take affirmative action to ensure that such applicants are recruited and employed, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this nondiscrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex.

The contractor or subcontractor, where applicable, will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to **N.J.S.A. 10:5-31 et seq.**, as amended and supplemented from time to time and the Americans with Disabilities Act.

When hiring or scheduling workers in each construction trade, the contractor or subcontractor agrees to make good faith efforts to employ minority and women workers in each construction trade consistent with the applicable employment goal prescribed by **N.J.A.C. 17:27-7.3**; provided, however, that the Division may, in its discretion, exempt a contractor or subcontractor from compliance with the good faith procedures prescribed by the following provisions, A, B and C, as long as the Division is satisfied that the contractor or subcontractor is employing workers provided by a union which provides evidence, in accordance with standards prescribed

by the Division , that its percentage of active “card carrying” members who are minority and women workers is equal to or greater than the applicable employment goal established in accordance with **N.J.A.C. 17:27-7.3**.

The contractor or subcontractor agrees that a good faith effort shall include compliance with the following procedures:

(A). If the contractor or subcontractor has a referral agreement or arrangement with a union for a construction trade, the contractor or subcontractor shall, within three business days of the contract award, seek assurances from the union that it will cooperate with the contractor or subcontractor as it fulfills its affirmative action obligations under this contract and in accordance with the rules promulgated by the Treasurer pursuant to N.J.S.A. 10:5-31 et. seq., as supplemented and amended from time to time and the Americans with Disabilities Act. If the contractor or subcontractor is unable to obtain said assurances from the construction trade union at least five business days prior to the commencement of construction work, the contractor or subcontractor agrees to attempt to hire or schedule minority and women workers directly, consistent with the applicable employment goal. If the contractor's or subcontractor's prior experience with a construction trade union, regardless of whether the union has provided said assurances, indicates a significant possibility that the trade union will not refer sufficient minority and women workers consistent with the applicable employment goal, the contractor or subcontractor agrees to be prepared to hire or schedule minority and women workers directly, consistent with the applicable employment goal, by complying with the hiring or scheduling procedures prescribed under (B) below; and the contractor or subcontractor further agrees to take said action immediately if it determines or is so notified by the Division that the union is not referring minority and women workers consistent with the applicable employment goal.

(B). If the hiring or scheduling of a workforce consistent with the employment goal has not or cannot be achieved for each construction trade by adhering to the procedures of (A) above, or if the contractor does not have a referral agreement or arrangement with a union for a construction trade, the contractor or subcontractor agrees to take the following actions consistent with the applicable county employment goals:

(1). To notify the public agency compliance officer, the Division, and minority and women referral organizations listed by the Division pursuant to N.J.A.C. 17:27-5.3, of its workforce needs, and request referral of minority and women workers;

(2). To notify any minority and women workers who have been listed with it as awaiting available vacancies;

(3). Prior to commencement of work, to request that the local construction trade union refer minority and women workers to fill job openings, provided the contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade;

(4). To leave standing requests for additional referral to minority and women workers with the local construction trade union, provided the contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade, the State Training and

Employment Service and other approved referral sources in the area until such time as the workforce is consistent with the employment goal;

(5). If it is necessary to lay off some of the workers in a given trade on the construction site, to assure, consistent with the applicable State and Federal statutes and court decisions, that sufficient minority and women employees remain on the site consistent with the employment goal; and to employ any minority and women workers so laid off by the contractor on any other construction site on which its workforce composition is not consistent with an employment goal established pursuant to rules implementing **N.J.S.A. 10:5-31 et. seq.**;

(6). To adhere to the following procedure when minority and women workers apply or are referred to the contractor or subcontractor:

(i) If said individuals have never previously received any document or certification signifying a level of qualification lower than that required in order to perform the work of the construction trade, the contractor or subcontractor shall determine the qualifications of such individuals and if the contractor's or subcontractor's workforce in each construction trade is not consistent with the applicable employment goal, it shall hire or schedule those individuals who satisfy appropriate qualification standards. However, a contractor or subcontractor shall determine that the individual at least possesses the requisite skills, and experience recognized by a union, apprentice program or a referral agency, provided the referral agency is acceptable to the Division. If necessary, the contractor or subcontractor shall hire or schedule minority and women workers who qualify as trainees pursuant to these rules. All of the requirements, however, are limited by the provisions of (C) below.

(ii). If the contractor's or subcontractor's workforce is consistent with the applicable employment goal, the name of any interested women or minority individual shall be maintained on a waiting list for the first consideration, in the event the contractor's or subcontractor's workforce is no longer consistent with the applicable employment goal.

(iii). If, for any reason, said contractor or subcontractor determines that a minority individual or a woman is not qualified or if the individual qualifies as an advanced trainee or apprentice, the contractor or subcontractor shall inform the individual in writing of the reasons for the determination, maintain a copy of the determination in its files, and send a copy to the public agency compliance officer and to the Division.

(7). To keep a complete and accurate record of all requests made for the referral of workers in any trade covered by the contract, on forms made available by the Division and submitted promptly to the Division upon request.

(C). The contractor or subcontractor agrees that nothing contained in (B) above shall preclude the contractor or subcontractor from complying with the union hiring hall or apprenticeship policies in any applicable collective bargaining agreement or union hiring hall arrangement, and, where required by custom or agreement, it shall send journeymen and trainees to the union for referral, or to the apprenticeship program for admission, pursuant to such agreement or arrangement. However, where the practices of a union or apprenticeship program will result in the exclusion of minorities and women or the failure to refer minorities and women consistent

with the county employment goal, the contractor or subcontractor shall consider for employment persons referred pursuant to (B) above without regard to such agreement or arrangement; provided further, however, that the contractor or subcontractor shall not be required to employ women and minority advanced trainees and trainees in numbers which result in the employment of advanced trainees and trainees as a percentage of the total workforce for the construction trade, which percentage significantly exceeds the apprentice to journey worker ratio specified in the applicable collective bargaining agreement, or in the absence of a collective bargaining agreement, exceeds the ratio established by practice in the area for said construction trade. Also, the contractor or subcontractor agrees that, in implementing the procedures of (B) above it shall, where applicable, employ minority and women workers residing within the geographical jurisdiction of the union.

After notification of award, but prior to signing a construction contract, the contractor shall submit to the public agency compliance officer and the Division an initial project workforce report (Form AA 201) provided to the public agency by the Division for distribution to and completion by the contractor, in accordance with N.J.A.C. 17:27-7. The contractor also agrees to submit a copy of the Monthly Project Workforce Report once a month thereafter for the duration of this contract to the Division and to the public agency compliance officer.

The contractor agrees to cooperate with the public agency in the payment of budgeted funds, as is necessary, for on-the-job and/or off-the-job programs for outreach and training of minorities and women.

(D). The contractor and its subcontractors shall furnish such reports or other documents to the Division of Contract Compliance & EEO as may be requested by the Division from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Division of Contract Compliance & EEO for conducting a compliance investigation pursuant to **Subchapter 10 of the Administrative Code at N.J.A.C. 17:27.**

INFORMATION AND INSTRUCTIONS

For Completing the “Two-Year Vendor Certification and Disclosure of Political Contributions” Form

Background Information

On September 22, 2004, then-Governor James E. McGreevey issued E.O. 134, the purpose of which was to insulate the negotiation and award of State contracts from political contributions that posed a risk of improper influence, purchase of access or the appearance thereof. To this end, E.O. 134 prohibited State departments, agencies and authorities from entering into contracts exceeding \$17,500 with individuals or entities that made certain political contributions. E.O. 134 was superseded by Public Law 2005, c. 51, signed into law on March 22, 2005 (“Chapter 51”).

On September 24, 2008, Governor Jon S. Corzine issued E.O. 117 which is designed to enhance New Jersey’s efforts to protect the integrity of procurement decisions and increase the public’s confidence in government. The Executive Order builds upon the provisions of Chapter 51.

Two-Year Certification Process

Upon approval by the State Chapter 51 Review Unit, the Certification and Disclosure of Political Contributions form is valid for a two (2) year period. Thus, if a vendor receives approval on January 1, 2014, the certification expiration date would be December 31, 2015. Any change in the vendor’s ownership status and/or political contributions during the two-year period will require the submission of new Chapter 51/Executive Order 117 forms to the State Review Unit. **Please note that it is the vendor’s responsibility to file new forms with the State should these changes occur.**

State Agency Instructions: Prior to the awarding of a contract, the State Agency should first send an e-mail to CD134@treas.nj.gov to verify the certification status of the vendor. If the response is that the vendor is NOT within an approved two-year period, then forms must be obtained from the vendor and forwarded for review. If the response is that the vendor is within an approved two-year period, then the response so stating should be placed with the bid/contract documentation for the subject project.

3. TERMS GOVERNING ALL PROPOSALS TO NEW JERSEY CITY UNIVERSITY (Unless Otherwise Specified in Bid Specifications)

- 3.1. **VENDOR RIGHT TO PROTEST-INTENT TO AWARD** – Within sixty (60) days of a bid opening, the University shall provide to all bidders a copy of a “Notice of Intent to Award a Contract;” and shall notify any nonresponsive/non-responsible bidder of the basis for disqualification, unless, within the sixty (60) day period, the University requests that bidders agree to permit the bids to be held for a longer time period for consideration pending issuance of a “Notice of Intent to Award.”

Any bidder, having submitted a proposal in response to this RFP and finding cause to protest the University’s disqualification of a bid, or notice of intent to award, may make written request to the Director of the Procurement Department setting forth, in detail, the specific grounds for challenging the disqualification of its bid or for challenging the University’s intent to award the Contract, as applicable. The protest shall be filed within five (5) business days following the bidder’s receipt of written notification that its bid is disqualified or of notice of the intent to award, as applicable.

The University shall consider the written record when deciding a bid protest. The written record may include, but is not limited to, the written protest, any written response to the protest submitted by the lowest responsible bidder, the terms, conditions and requirements of the RFP, the proposals submitted in response to the RFP, the evaluation committee report and/or the award recommendation document, pertinent administrative rules, statutes, and case law, and any associated documentation the University deems appropriate. In cases where no in-person presentation is deemed necessary, the University shall afford the protester and other interested parties a fair opportunity to submit written statements and documents supporting the facts and the legal arguments relevant to the bid protest.

The University has the discretion to determine if an in-person presentation is necessary to reach an informed decision on the issues raised by the protester. An in-person presentation is a fact-finding hearing for the benefit of the University. The University has the discretion to permit attendance at an in-person presentation by those parties likely to be affected by the outcome of the protest. The in-person presentation shall be recorded electronically by the University and the electronic recording shall be available for public access as a “government record” under OPRA.

In those instances where the University determines that an in-person presentation is necessary to reach an informed decision on the issues raised by the protester, the University shall provide written notification to the bid protest participants along with the date of the in-person presentation. Any bidder who intends to be represented by an attorney at an in-person presentation must notify the Director of the Procurement Department no later than two days following receipt of notification of the scheduling of an in-person presentation to give the University an opportunity to have counsel from the Attorney General’s Office, Division of Law, attend in person or by telephone. If advance notification is not provided, the University may limit the bidder’s attorney to advising and assisting the bidder by submitting questions to be asked of other participants/witnesses at the discretion of the University’s presiding officer. The in-person presentation will not be rescheduled in this situation. The University reserves the right to waive any immaterial defects in the bid or the bidding process.

Following the close of the record in the bid protest (for determinations based only upon the written record, the record shall be deemed closed at the end of the business day, five days following the bidder receipt of the “Notice of Intent to Award”; for determinations following an in-person presentation the record shall be deemed closed at the close of the in-person presentation unless or as directed by the presiding officer, whichever is later) the University Contracting Officer shall issue a written decision including findings of fact and conclusions and shall provide copies of the bid protest decision to all participants in the bid protest. The bid protest decision is a final decision of the “Contracting agent”, as that term is defined in the State College Contracts Law, N.J.S.A.18A:64-53(b). Notice of award of the Contract following a bid protest decision shall be provided to all bidders, and shall be appealable to the Superior Court of New Jersey, Appellate Division.

- 3.2. **SUBCONTRACTING OR ASSIGNMENT** – The contract may not be subcontracted or assigned by the contractor, in whole or in part, without the prior written consent of the University. Such consent, if granted, shall not relieve the contractor of any of his/her responsibilities under the contract..

In the event that the bidder proposes to subcontract for the services to be performed under the terms of the contract award, a list of said subcontractors and an itemization of the services to be supplied by them must be stated and attached to the bid for approval.

Nothing contained in the specifications shall be construed as creating any contractual relationship between any subcontractor and the University.

- 3.3. **PERFORMANCE GUARANTEE OR BIDDER** – The bidder hereby certifies that: The equipment offered is standard new equipment, as is the manufacturer's latest model in production, with parts regularly used for the type of equipment substituted or applied contrary to manufacturer's recommendations and standard practice.

All equipment supplied to the University and operated by electrical current is UL approved.

All new machines are to guarantee for a period of one year from time of delivery and/or installation and prompt service rendered without charge regardless of geographic location.

Sufficient quantities of parts necessary for proper service to equipment will be maintained to distribution points and service headquarters.

Trained mechanics are regularly employed to make necessary repairs to equipment in the territory from which the service request may originate within a 48 hour period or within the time accepted as industry practice.

The contractor shall immediately replace any material which is rejected for failure to meet the requirements of the University.

All services rendered to the University shall be performed in strict and full accordance with the specifications as agreed to in the contract. A service contract shall not be considered complete until final approval by the University is rendered. Payment to vendors for services rendered may not be made until final University approval is given.

- 3.4. **DELIVERY GUARANTEES** – Deliveries shall be made at the time and in such quantities as ordered in strict accordance with conditions contained in proposal.
