1. INFORMATION FOR BIDDERS

1.1 BACKGROUND

New Jersey City University (NJCU), located in the City of Jersey City, is one of the nine state colleges and Universities in New Jersey. The University opened its doors as the New Jersey Normal School of Jersey City on September 12, 1929, with 331 students and one building on campus, Hepburn Hall. Eighty years later, more than 8,000 degree-seeking students enjoy the fifty-two acre campus, which now features fourteen buildings. The mission of New Jersey City University is to provide a diverse population with an excellent university education. The University is committed to the improvement of the educational, intellectual, cultural, socioeconomic, and physical environment of the surrounding urban region and beyond. Through implementation of its mission, New Jersey City University has realized its vision of becoming a nationally recognized leader in urban public higher education. New Jersey City University is committed to its urban mission by: sustaining, celebrating, and promoting academically an understanding of community diversity; tapping the rich resources of the urban setting and cultures for the benefit of its learners; and employing its knowledge resources, via faculty and students and with partner organization, to identify and solve urban challenges.

NJCU is also creating a 21-acre University Place Development, which will blend academic buildings, recreational facilities, and mixed-use residential, retail, and commercial space with landscaped public areas and walkways. In expanding its campus, NJCU expects to create an urban village that will enrich the surrounding neighborhood and will encourage its neighbors to enjoy the shops, theatre and performing arts programs, cafes, and public outdoor spaces that are part of the plan. The site is bordered by Route 440, West Side Avenue, Carbon Place and the Home Depot Property. Construction began in 2012 with the development of the infrastructure, including placement of sewer lines, utilities and streets. The final stage, the construction of buildings, will be handled in phases.

1.2 PURPOSE AND INTENT

Pursuant to N.J.S.A. 18A:64-54, New Jersey City University (“NJCU” or the “University”) is issuing this document, a Request for Proposals (“RFP”) for Commercial Banking Services from qualified federally insured financial institutions.

The University considers any information which it may have released either orally or in writing prior to the issuance of this RFP, to be preliminary in nature and the University shall not be bound by such information.

The University's obligation is contingent upon the availability of funds.

1.2.1 CONTRACT TERMS

The intent of this RFP is to award a single or multiple contracts to responsible bidder(s), whose bid, conforming to this RFP, is most advantageous to NJCU, considering price and other factors. New Jersey City University intends to award the contract for one (1) year commencing from the date of award renewable at the option of the University for four (4) additional one (1) year terms.

If, at any time during the term of this award either the University or the vendor considers terminating the agreement, they shall give the other party written notice that it is considering such action, which notice shall set forth with sufficient specificity such party's reasons for contemplating termination. During the following thirty- (30) day period the parties shall discuss, in good faith, the party's reasons for considering termination in an effort to avoid the need for such action. Following the thirty (30) day discussion period, the party considering termination, if not fully satisfied, may elect to terminate the agreement by giving the other party thirty (30) days written notice.

Should additional work be required, which is beyond the scope of this RFP but is related to the overall contract, the vendor will be requested to submit a written proposal and upon approval, a purchase order will be issued to authorize the work.

The University assumes no responsibility for the completeness or the accuracy of any information presented in this RFP, or otherwise distributed or made available during this procurement process, except as expressly stated to the contrary. Without limiting the generality of the foregoing, the University will not be bound by or be responsible for any explanation or interpretation of the proposed documents other than those prepared in writing. In no event may a Proposer to this RFP rely on any oral statement made by the University or any of the University's agents, employees, advisors or consultants.

Should a Proposer find discrepancies in or omissions from, this RFP and related documents, the Proposer shall immediately notify the University, in writing, and a written addendum of instructions, if necessary, will be emailed to each Proposer. Every Proposer requesting an interpretation of this RFP will be responsible for delivering such requests to the University in writing and within the time limit set forth in Section 1.3

The University considers any information which it may have released either orally or in writing prior to the issuance of this RFP to be preliminary in nature and the University shall not be bound by such information.

Proposers should satisfy themselves, by personal investigation and any other means they deem necessary, as to the conditions affecting the proposed Project and the cost thereof. Proposers are solely responsible for conducting their own independent research and due diligence for their preparation of the Proposals and the subsequent delivery of services under the Project Documents.

1.4.2 COST LIABILITY

The University assumes no responsibility and bears no liability for cost incurred by a bidder in the preparation and submittal of a bid proposal in response to this RFP.

1.4.3 CONTENTS OF BID PROPOSAL

Subsequent to bid opening all information submitted by a bidder in the bid proposal is considered public information, except as may be exempted from public disclosure by the Open Public Records Act [OPRA], N.J.S.A. 47:1A-1 et seq., and the common law.

The University reserves the right to complete its evaluation process prior to making bid tabulations available, through OPRA requests.

1.4.4 PRICE ALTERATION

Bid prices must be typed or written in ink. Any price change (including "white-outs") must be initialed. Failure to initial price changes shall preclude a contract award from being made to the bidder.

1.4.5 BID ERRORS

A bidder may request that its bid proposal be withdrawn prior to bid opening. Such a request must be made, in writing, to the Associate Vice President of Business Services. If the request is granted, the bidder may submit a revised bid proposal as long as the revised bid proposal is received prior to the announced date and time for the opening of the bid proposals and at the place specified.

If, after the opening of bid proposals but before contract award, a bidder discovers an error in its bid proposal, the bidder may make written request to the Assistant Vice President of Business Services for authorization to withdraw its bid proposal from consideration for award. Evidence of the bidder's good faith in making this request shall be used in making the determination. The factors that will be considered are that the mistake is so significant that to enforce the contract resulting from the bid proposal would be unconscionable; that the mistake relates to a material feature of the contract; that the mistake occurred notwithstanding the

bidder's exercise of reasonable care; and that the University will not be significantly prejudiced by granting the withdrawal of the bid proposal.

If, during the evaluation of bid proposals received, an obvious pricing error made by a potential contract awardee is found, the University's Contract Administrator shall issue written notice to the bidder. The bidder will have five days after receipt of the notice to confirm its pricing. If the bidder fails to respond, its bid proposal shall be considered withdrawn, and no further consideration shall be given it.

If it is discovered that there is an arithmetic disparity between the unit price and the total extended price, the unit price shall prevail. If there is any other ambiguity in the pricing other than a disparity between the unit price and extended price and the bidder's intention is not readily discernible from other parts of the bid proposal, the Contract Administrator may seek clarification from the bidder to ascertain the true intent of the bid proposal.

INFORMATION AND INSTRUCTIONS

For Completing the “Two-Year Vendor Certification and Disclosure of Political Contributions” Form

Background Information

On September 22, 2004, then-Governor James E. McGreevey issued E.O. 134, the purpose of which was to insulate the negotiation and award of State contracts from political contributions that posed a risk of improper influence, purchase of access or the appearance thereof. To this end, E.O. 134 prohibited State departments, agencies and authorities from entering into contracts exceeding \$17,500 with individuals or entities that made certain political contributions. E.O. 134 was superseded by Public Law 2005, c. 51, signed into law on March 22, 2005 (“Chapter 51”).

On September 24, 2008, Governor Jon S. Corzine issued E.O. 117 which is designed to enhance New Jersey’s efforts to protect the integrity of procurement decisions and increase the public’s confidence in government. The Executive Order builds upon the provisions of Chapter 51.

Two-Year Certification Process

Upon approval by the State Chapter 51 Review Unit, the Certification and Disclosure of Political Contributions form is valid for a two (2) year period. Thus, if a vendor receives approval on January 1, 2014, the certification expiration date would be December 31, 2015. Any change in the vendor’s ownership status and/or political contributions during the two-year period will require the submission of new Chapter 51/Executive Order 117 forms to the State Review Unit. **Please note that it is the vendor’s responsibility to file new forms with the State should these changes occur.**

State Agency Instructions: Prior to the awarding of a contract, the State Agency should first send an e-mail to CD134@treas.nj.gov to verify the certification status of the vendor. If the response is that the vendor is NOT within an approved two-year period, then forms must be obtained from the vendor and forwarded for review. If the response is that the vendor is within an approved two-year period, then the response so stating should be placed with the bid/contract documentation for the subject project.

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.
