NJCU BUSINESS DEVELOPMENT I N C U B A T O R

Technology companies drive economic growth, provide consumers with new products at better prices, and create well paying jobs. Our mission is to encourage and assist potential entrepreneurs with innovative ideas or commercially attractive technology to start their own companies in a supporting environment in the **Business Development Incubator (BDI) at New Jersey City University (NJCU)**. Your success will help improve the long-term economic vitality of Jersey City and the State of New Jersey; create higher-skill, higher-wage local jobs; provide wealth creation for you and your stakeholders; and tax revenues returned to your community.

We're looking for entrepreneurs who see a real benefit to being at **BDI** and can help the University achieve its mission, including: *"the improvement of the educational, cultural, socioeconomic and physical environment of the surrounding urban region."*

ADMISSION GUIDELINES

To apply for admission to the BDI at New Jersey City University, you must be a New Jersey based "for-profit" business with a commitment to remain in New Jersey:

- With a focus on wealth creation for your stakeholders and higher paying jobs for your community
- Able to clearly explain your goals for growing the company and have a business plan to achieve these goals. The plan should indicate the milestones you will meet that will lead to commercialization and graduation from **BDI** within 3 years.
- Have the technical and/or managerial skills and experience required to grow a company.
- Provide a new product or process which is on the up-slope of the market life cycle.
- Envision specific opportunities to involve students and/or faculty at NJCU.
- Be prepared to provide performance data which BDI may aggregate for external promotion of its program.

Please complete the following Application and provide it by email or electronically to **BDI** at the above address, along with a **non-confidential** Executive Summary from your Business Plan. We will review your Application promptly and may then request a meeting and/or more information. With your permission, we may conduct a background check.
