

## Overview

In response to COVID-19, NJCU adopted fully remote teaching and learning. In April, the University administered surveys from the EDUCAUSE DIY Survey Kit to explore student and faculty experiences.

A total of 220 students responded to the survey – **192** undergraduate students and **28** graduate students. A total of 84 faculty responded to the survey – **50** full-time/part-time faculty and **34** adjunct faculty.

## Students' Remote Learning Experiences

A total of 220 students responded to the survey – **192** undergraduate students and **28** graduate students.

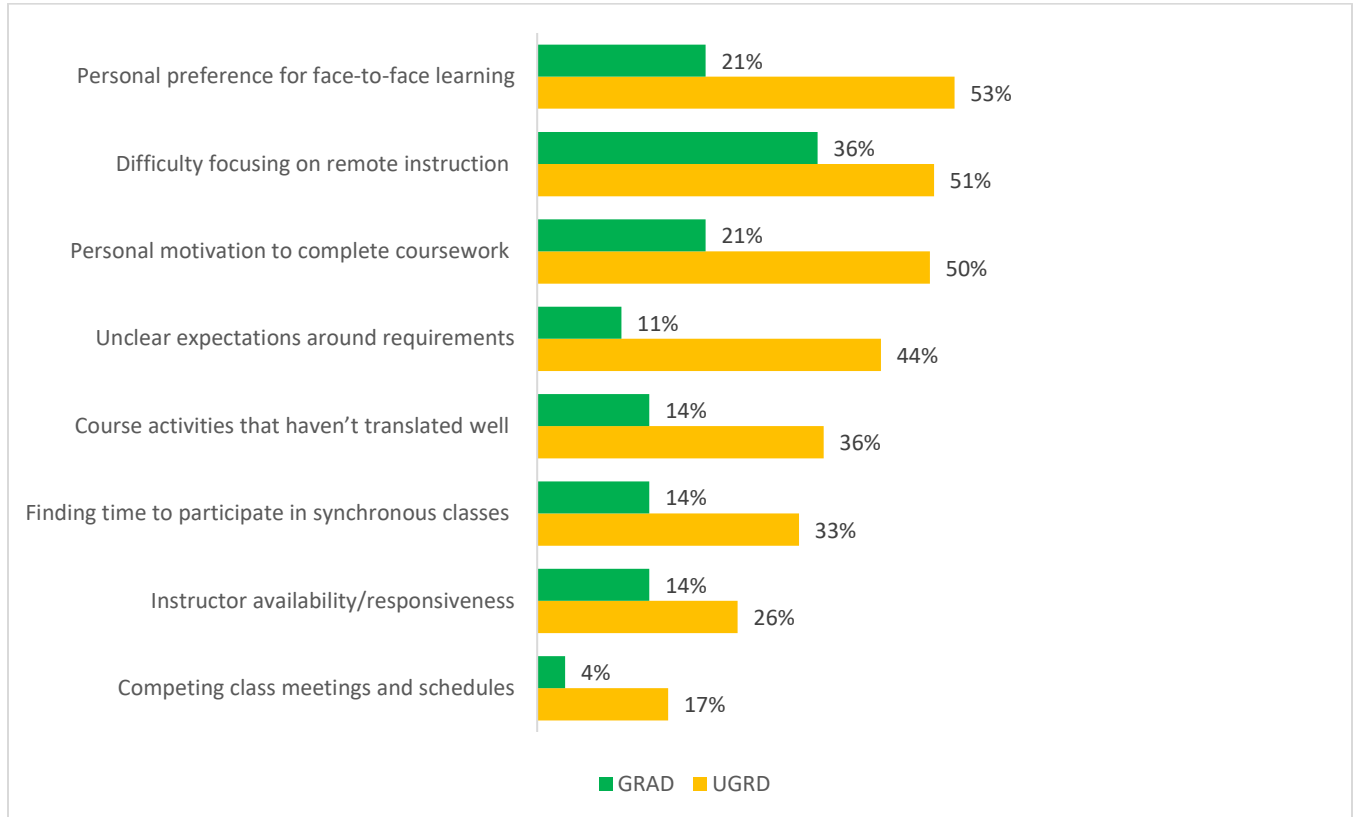

### Technological Challenges: Students

*Question: Which of the following technological issues have been a challenge for you since the transition to remote learning? (Check all that apply.)*

**Learning/Educational Challenges: Students**

Question: Which of the following learning/educational issues have been a challenge for you since the transition to remote learning? (Check all that apply.)

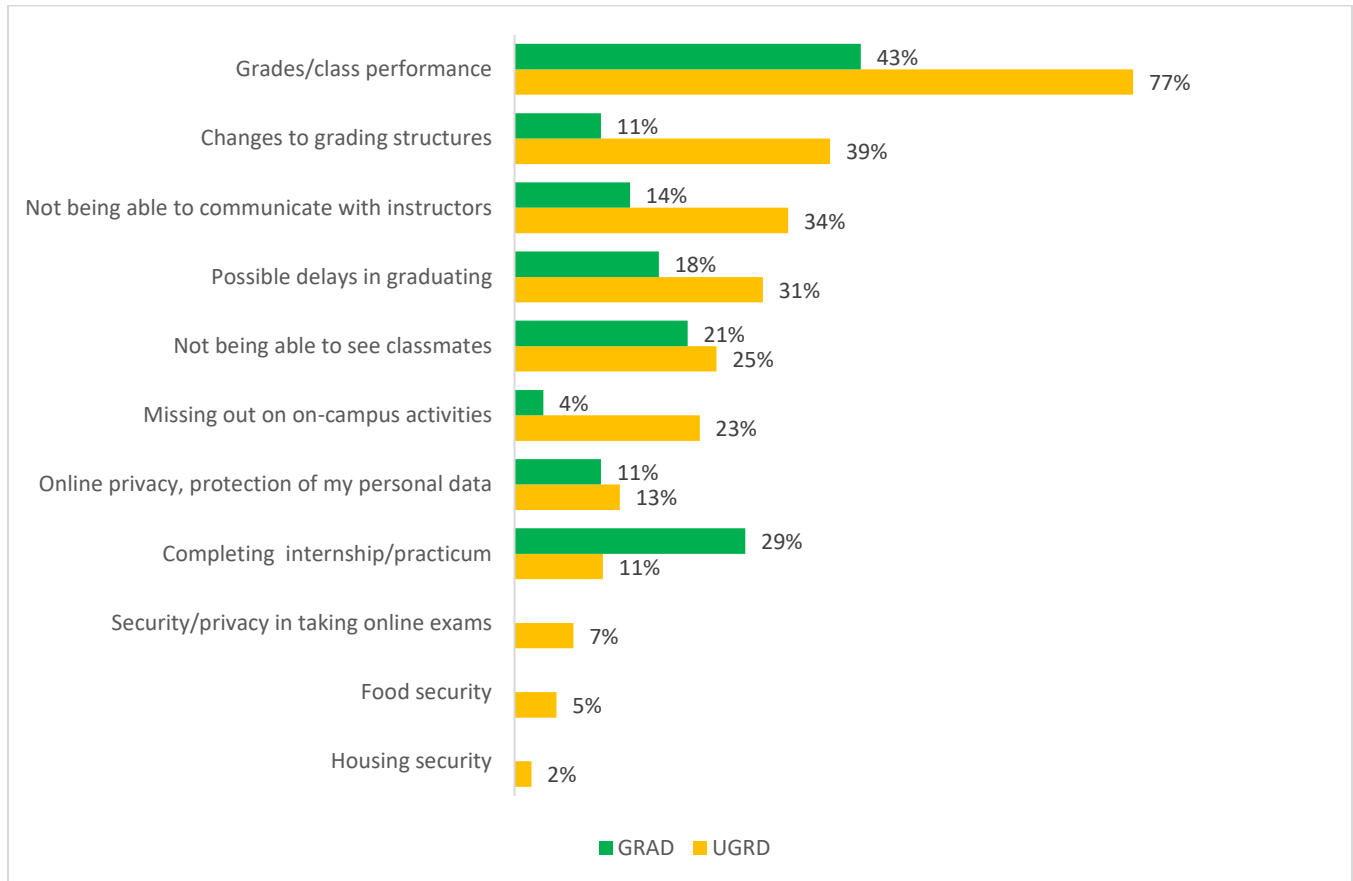

**Support Services Challenges: Students**

*Question: Which of the following student support services have been challenging to access since the transition to remote learning? (Check all that apply.)*

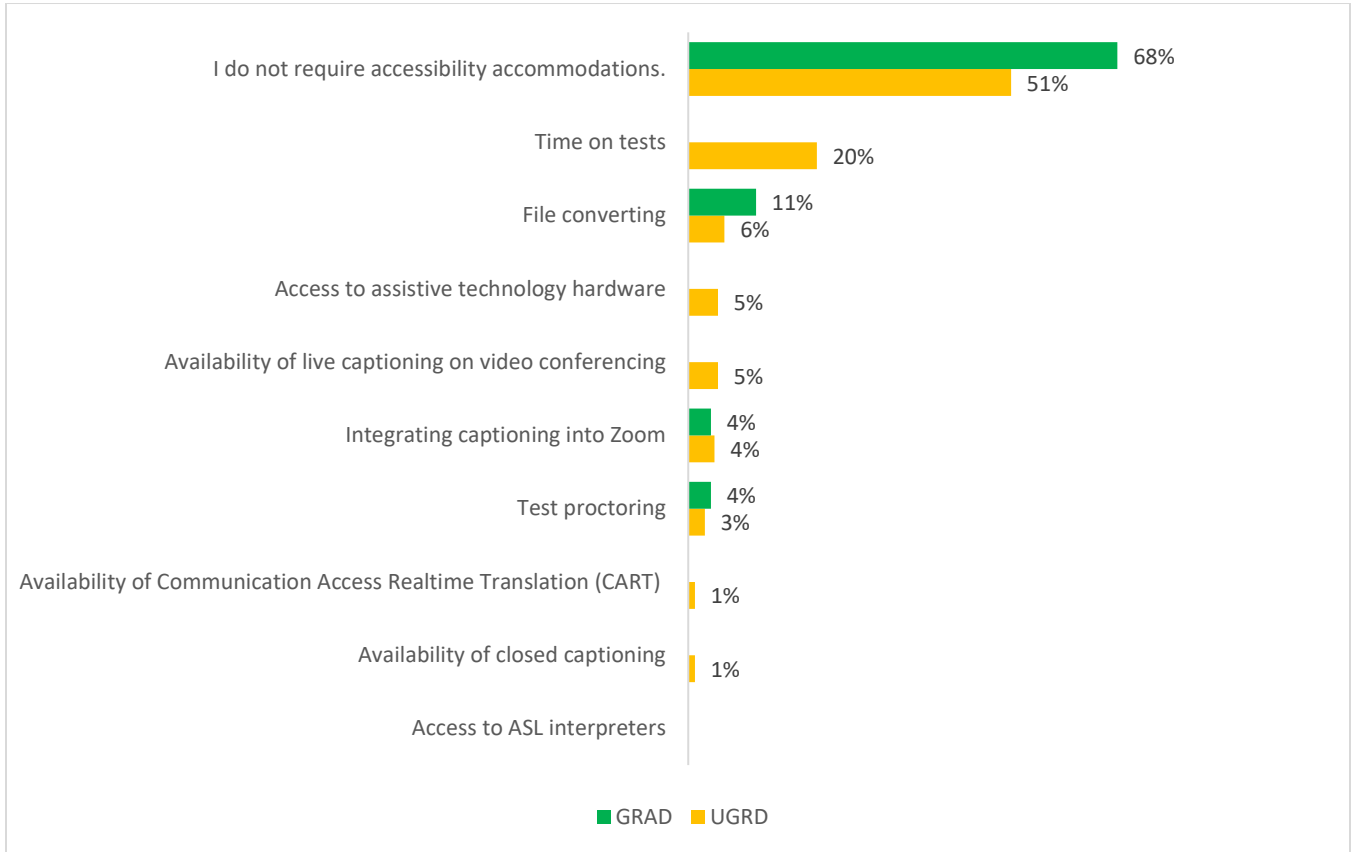

**Biggest Concerns: Students**

Question: *What are your biggest concerns with the transition to remote learning so far? (Check all that apply.)*

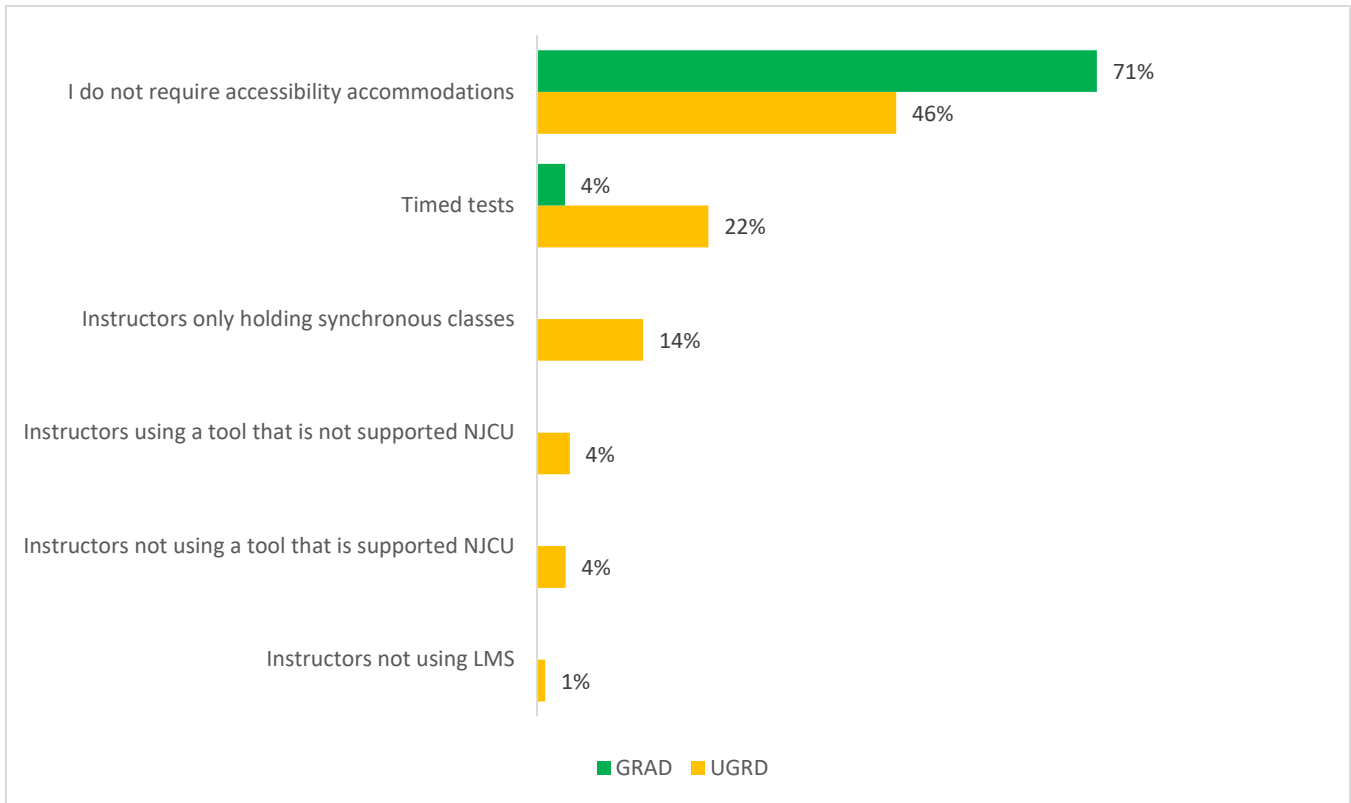

**Technology-Accessibility Challenges: Students**

Question: Which of the following technical accessibility issues have been challenging for you since the transition to remote learning? (Check all that apply.)

**Teaching-Accessibility Challenges: Students**

Question: Which of the following teaching-related accessibility issues have been challenging for you since the transition to remote learning? (Check all that apply.)

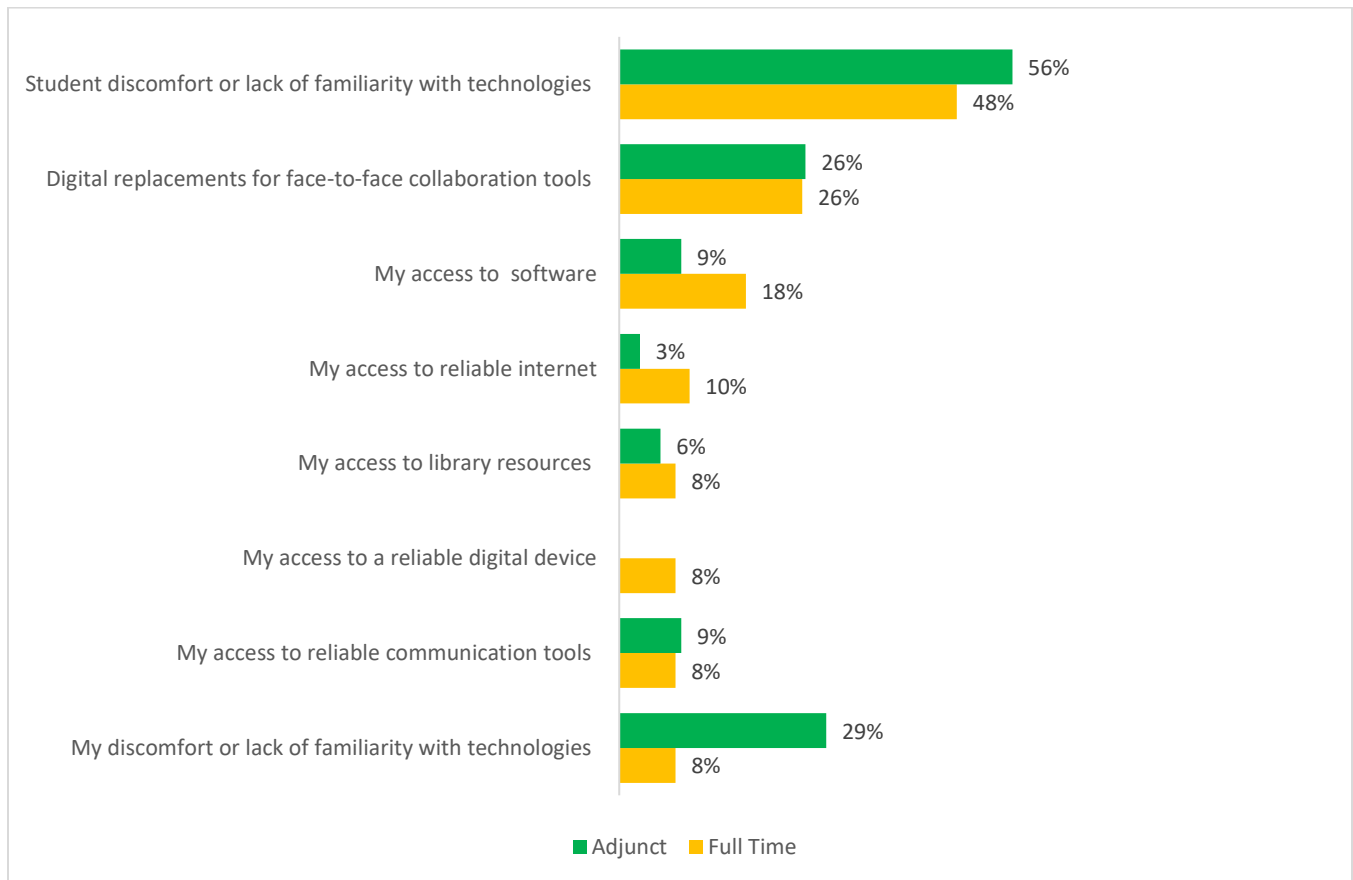

## Faculty’s Remote Teaching Experiences

A total of 84 faculty responded to the survey – 50 full-time/part-time faculty and 34 adjunct faculty.

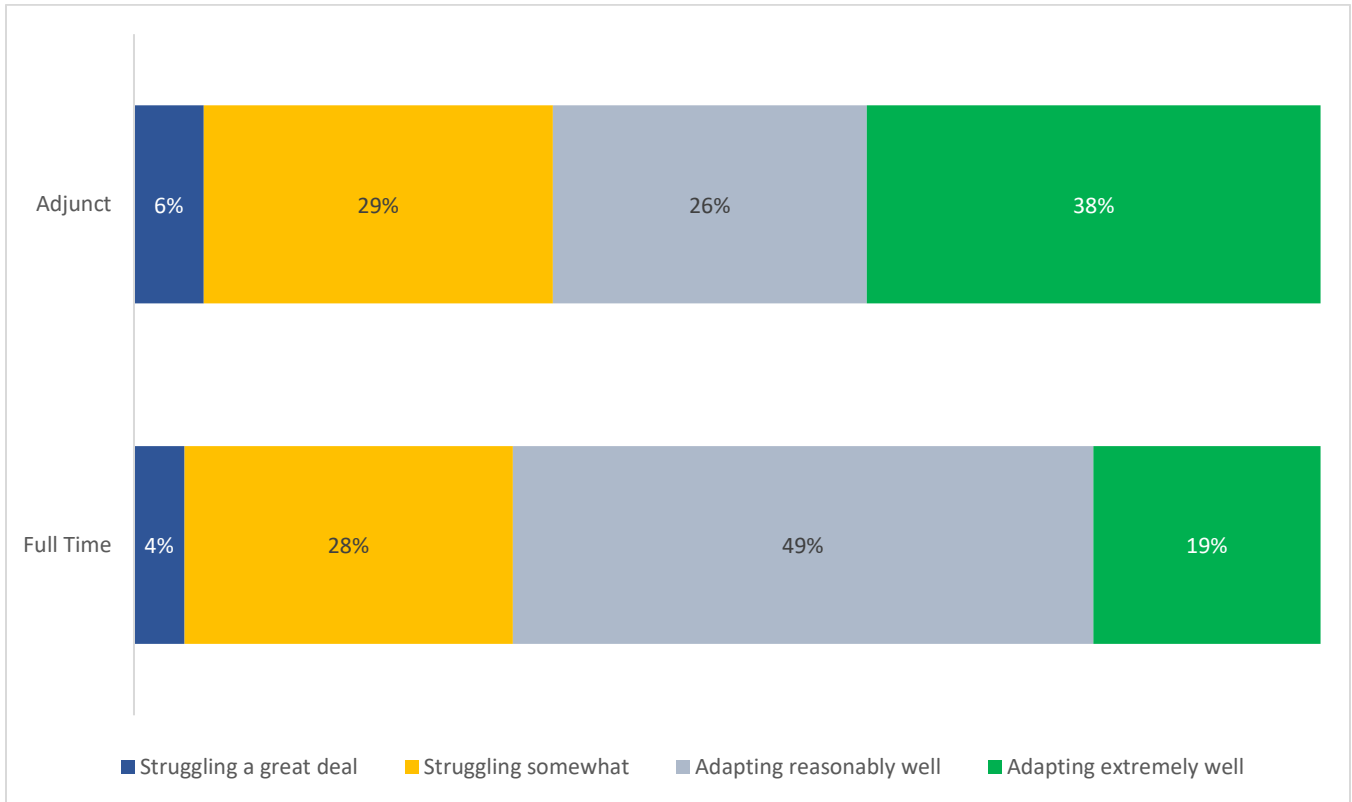

### Technological Challenges: Faculty

Question: Which of the following **technological issues** have been a challenge for you since the transition to remote learning? (Check all that apply.)

**Students' Adaptability: Faculty**

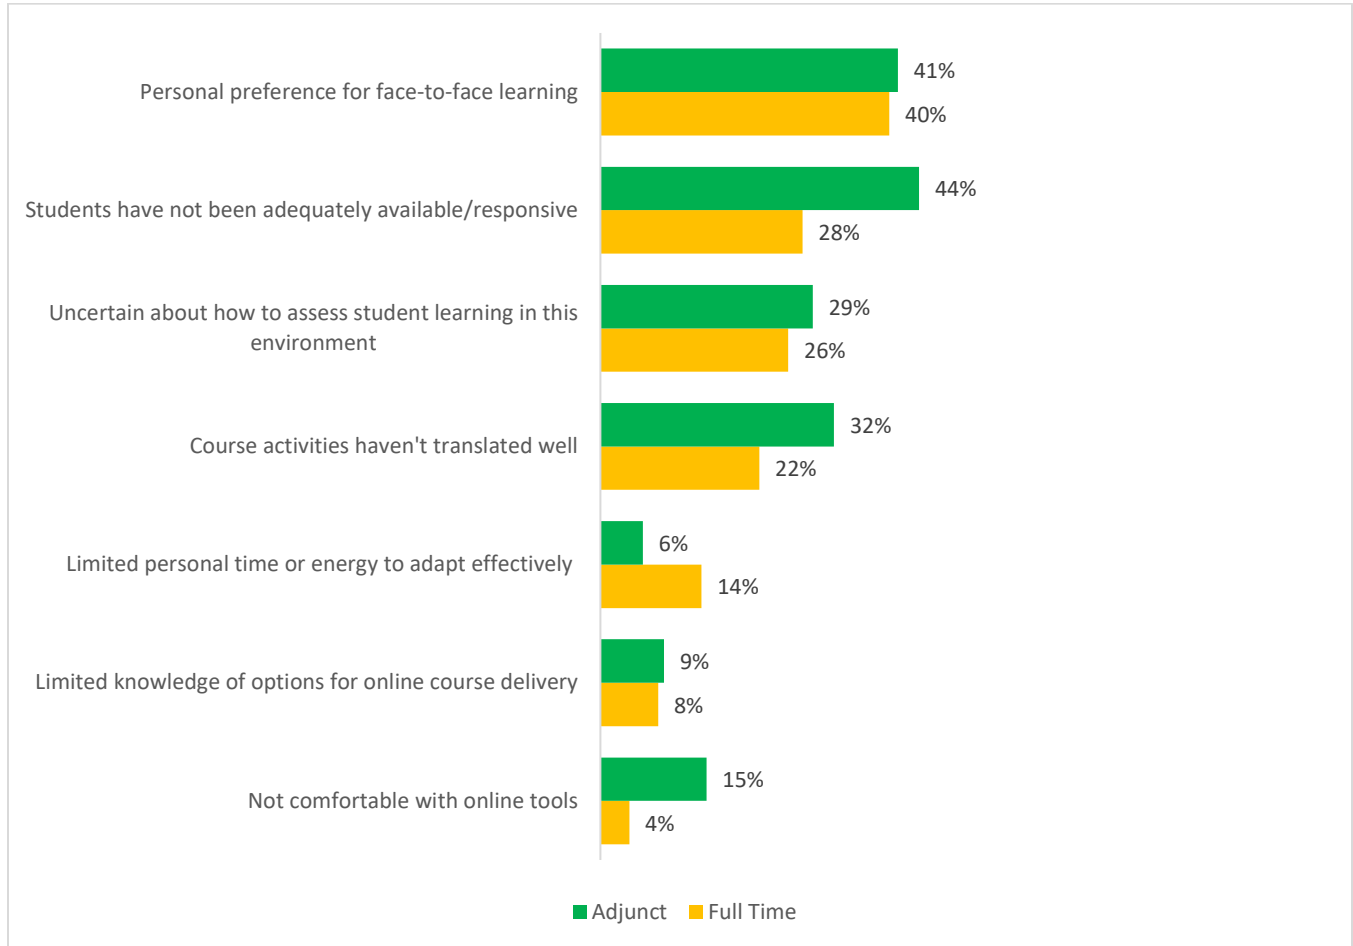

*Question: How would you say your students have adapted to remote learning, from your experiences and observations as an instructor?*

**Instructional Design Challenges: Faculty**

Question: Which of the following have been challenging for you in adapting course design and/or assignments to remote learning? (Check all that apply.)

**Biggest Concerns: Faculty**

Question: *What are your biggest concerns with the transition to remote learning so far? (Check all that apply.)*
