NJCU SCHOOL OF BUSINESS

Bachelor of Science in Management

Earn Your Business Degree Close to Home with NJCU's "3+1 Advantage"

The Bachelor of Science in Management provides students with an academic program that prepares them for leadership roles in the global marketplace. By focusing on the integration of theory and real-world practices, the Bachelor of Science in Management helps students develop the problem solving, communications, and leadership skills need to succeed in today's increasingly competitive and interconnected workplace.

Students also acquire the skills necessary in today's "Gig" business environment to plan and launch their own businesses and/or acquire and open a new or established franchise. A management degree from NJCU School of Business prepares students for a wide range of job opportunities as well as the rigor of graduate studies in the business disciplines.

Why Choose NJCU For Your Degree?

- Ranked "Best Bang for Your Buck" Among Public Universities in the Northeast with easy transfer of credits
- Classes offered close to home, online, in-person and blended to fit your busy life
- Extensive and relevant degree options in high demand fields for existing job holders, business professionals and career changes alike
- Full-time NJCU business faculty teach, advise, and provide personalized support to students
- NJCU School of Business programs are accredited by ACBSP – a global standard of excellence in business education
- Access to specialized services for OCC students and transfers including academic advising, special speakers and business focused career counselors to help you find an internship or co-op close to home in a field of your choice

NJCU School of Business proudly partners with Ocean County College to offer students the opportunity to earn bachelors and master's degrees in a wide range of programs previously unavailable to residents in central and southern New Jersey.

NJCU offers students a seamless path to earning a bachelor's degree through our 2+2 and 3+1 options, as well as opportunities for accelerated master's degrees through our 3+1+1 option! See your academic advisor to begin planning your path to transfer.
