

NJCU compliance with Hallmark 7 of the Middle States Commission on Higher Education

Recommendations from the Senate Committee on Instructional Technology to enhance NJCU compliance with the criteria specified in Hallmark 7 of the Middle States Commission on Higher Education (2011) document entitled *Distance education Program: Interregional Guideline for the Evaluation of Distance Education (Online Learning)*:

- Utilizing the results of the Cyber Primer self-test and evaluation to revise training and support materials, as necessary. Maintain monitoring and reporting of the effects of changes made.
- Document the use of and satisfaction with services, and use this information to improve services.
- Creating an online learning webpage on the University website that highlights completely online programs and courses.
- All online courses must have course evaluations.

Approved by the University Senate: March 3, 2014

Approved by SACC: May 6, 2014

Approved by Board of Trustees: June 2, 2014
