Educational Technology

Student Learning Outcomes

Upon completion of the Educational Technology program, students will be able to:

1. Demonstrate mastery of the subject matter they plan to teach.
2. Demonstrate their pedagogical knowledge, integrating their understanding of their pupils' developmental levels, individual differences, learning exceptionalities, and sociocultural backgrounds.
3. Demonstrate effective instruction, caring behavior, and reflection to improve practice.
4. Know and value how individuals are shaped by their life experiences as mediated by factors such as social class, gender, race, ethnicity, language, sexual orientation, age, and social needs. Our candidates know, value, and engage in culturally responsive teaching to promote social justice, particularly in our urban areas.
5. Use appropriate technology in carrying out their professional responsibilities.
