Criteria for selection of sabbatical leave application

The Faculty & Professional Staff Affairs Committee will use the following criteria in reviewing sabbatical applications:

1. Consultation with the Chair and the Dean prior to submitting the application to the sabbatical application process.
2. Eligibility: as per NJCU guidelines.
3. Overall Quality of Proposal: The proposal should contain a clear and coherent description of the project, project objectives and the possibilities for outside support.
4. Value of the Sabbatical to the Department and/or University: The application should indicate the ways the sabbatical will contribute to future programs within the department and/or the University.
5. Value of the Sabbatical to the Individual: The application should describe the ways the sabbatical will strengthen the future teaching, research, and/or professional development of the applicant. It should also include any important personal reasons for a sabbatical leave at the time requested.
6. Value of the Sabbatical to the Field or Profession: The application should clearly indicate any expected contributions to the applicant's profession that will accrue.
7. Supporting Material: Since sabbatical leaves are awarded on a competitive basis, supporting materials for application should be substantial and carefully prepared. Applicant should make every effort to 1) provide a detailed description of planned activities, and 2) explain how these activities meet the criteria for the application.

Final Report: Each applicant who is granted a sabbatical leave is expected to prepare a brief report after the completion of his or her experience. The report is to be forwarded to the Provost, appropriate Dean, and the Chair of the Senate Faculty & Professional Staff Affairs Committee two months following the completion of the sabbatical leave (October 31 for a spring sabbatical; February 28 for a fall sabbatical). Applicants will also be expected (when possible) to make a presentation about their leave at a post-sabbatical symposium.
