5. Click on **Save** or **Submit** when you have completed making changes

Recalling a Submitted Video Assignment

NOTE: If assessment of your video assignment has already begun, you will receive the following warning message: **"You can only recall an item that has been submitted and not yet assessed."**

You can only recall an item that has been submitted and not yet assessed. ✕

Error Message if You Try to Recall a Video Assignment that is Being Reviewed

In this case you will need to contact your assessor or you campus Tk20 administrator to reopen your video assignment for editing.
