2. In the first tab, you will see a field to enter your authorization key. Enter your authorization key in the field and select **Validate/Reserve Key with Pearson (Figure 1).**

**Note:**
This is a one-time validation. Once your authorization key has been validated, you will not need to enter it again in Tk20 unless you create a new registration on edTPA.com for the same assessment or another assessment. If your authorization is marked as invalid, please contact Pearson edTPA Customer Support.
3. Once you have uploaded all necessary documents to each required sub-task, validated your authorization key, and completed the steps listed above, click **Transfer to Pearson** (Figure 2).
