Retirement Planning seminars and webinars take a step-by-step approach to the retirement process and explain what happens after you submit your application. We explain your benefits, survivor options, group life insurance, loan repayment provisions, and the taxability of your pension. There is also a brief discussion of your health benefits coverage in retirement. The classroom session is approximately 3 hours in duration. The webinar is 1 ½ - 2 hours in duration. Both sessions include a Q&A period.

The sessions listed below are for members of the Public Employees' Retirement System (PERS) and Teachers' Pension and Annuity Fund (TPAF).

The Division also offers an [Online Guide to Retirement](#).
